New Street Project in Madison Studied

Would Utilize Funds Left After Industrial Park Is Established

Proposals for a major street program in Madison may be revived if sufficient funds remain after further development of the city's industrial park, Mayor Stephen A. Maeras announced at a city council meeting Tuesday night.

The mayor told the aldermen that negotiations currently are underway for development of "a couple of warehouses" at the park, to be financed and then leased by the city to individual firms.

Money accumulated through operation of the old Chain of Rocks Bridge is being used in the industrial park development, and some of it may be credited to the city in the future, the mayor added.

The street project, seen as a possibility in the next two or three years, could be based on motor fuel tax funds to be credited to the city in the future, the mayor added.

Surplus Funds
City surplus funds would be used to finance the street program, as the city currently has no MFT credits remaining due to recent projects. The city receives MFT credits of about \$45,000 a year, expected to accumulate in the future.

Three alternate plans for the new streets were considered by the city council several years ago, with the most feasible plan listing an estimated cost of \$750,000.

Mayor Maeras noted that new permanent streets would eliminate the necessity of resurfacing the streets with asphalt and gravel, required about every three years, along with accompanying costs and other maintenance expenditures. Most streets were resurfaced recently.

The city currently is financing a new industrial plant for Caine Steel Co. now under construction at the industrial park.

School Opening Schedules for Area Announced

The Quad-City area's 1968-69 school term will get under way Monday with a projected enrollment expected to reach a record-breaking 20,000 pupils by the time all public and parochial schools are opened Sept. 3.

Venice and Madison school districts will open schools Monday with half-day classes, followed Tuesday by the opening of schools in Granite City School District 8. Virtually all public and parochial schools will have only half-day classes on opening day.

With one exception, parochial schools will not begin their new school term until Tuesday, Sept. 3, the day after Labor Day. The exception is St. Margaret Mary school on St. Clair avenue, which will start its school term Monday—with half-day classes—followed with a full day of studies on Tuesday.

Cafeteria Plans
Cafeteria facilities will be opened Tuesday at Madison, Venice and St. Margaret Mary schools, with the Granite City school district beginning cafeteria operations at the senior high school, junior highs and grade schools on Wednesday, Aug. 28.

Bus service for all public school students will be available for the initial half-day session, with transportation schedules remaining close to last year's busing schedules, school authorities report.

The major difference in school bus service will involve pupils attending Coolidge and Grigsby junior high schools.

Only one bus will transport Coolidge students this year, instead of the eight or nine vehicles required in previous school years.

Most of those pupils who were bused from the outlying areas of Pontoon Beach, Mitchell, Arlington Heights and Stalling have been assigned to the new Grigsby junior high school on Pontoon road.

New junior high students from the same locales also are assigned to the new building, thereby reducing the number of busing trips.

7 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY

Madison Teachers Hold Out For More

Seek Contracts Before Entering Schools for Opening Day Monday

Members of Madison Federation of Teachers Local 763 Monday night rejected salary offers and voted to stay out of schools until a contract is negotiated with the board of education. Classes, meanwhile, are scheduled to begin on Monday.

The teachers, meeting at the Labor Temple, voted to reject contracts mailed by the board to individual members about a week earlier.

In a third resolution, the local voted to levy a fine of \$50 per day upon teachers who show up for classes.

Rex Carr, East St. Louis attorney representing the union, told the teachers that the board has a surplus of cash sufficient to cover the cost of their salary demand "and it would not have to borrow a penny."

He told the Press-Record that "if it was necessary to borrow the funds, I would favor it."

Salary Requests

The union is asking salaries of \$777 per month for first-year teachers with bachelor's degrees, an increase of \$122 per month over a year ago (yearly total divided by nine), and a total of \$1355 per month for teachers with master's degrees.

The monthly salaries offered plus 30 graduate semester hours after 12 years, an increase of \$261 per month over a year ago.

The board mailed contracts with salary terms granting increases of \$33 to \$77 per month. The monthly salaries offered by the board range from \$688 to start, with a top of \$1186.

Granite City public schools' salary schedule for the 1968-69 school year has a range of \$669 for first-year teachers with bachelor's degrees to a top of \$1186 per month after 11 years.

The totals for Granite City include cost-of-living increases of \$125 a year, based on federal price indexes.

The Venice salary schedule (Continued on page 9, col. 4)

EXCLUSIVE PHOTOGRAPH by the Press-Record shows the initial spectators attracted to the scene of this airplane crash at 6:45 p.m. Tuesday on the Relleke farm several hundred feet south of Sand Prairie road nine-tenths of a mile east of Highway 111. Frank Karschuck, 29, Belleville, preparing to land at an airport on Collinsville road while soloing prior to obtaining a pilot license, headed in a glide for this plowed field when the engine backfired, sputtered and went dead. The dry, extremely soft surface caught the wheels and nose wheel, overturning the Cessna 150 but cushioning the impact. He was treated at St. Mary's Hospital, East St. Louis, for a slight head injury suffered when he fell after unbuckling his seat belt to leave the upside-down plane.

United Fund Goal Of \$387,104 for 1969 Proposed

The executive committee of the United Fund of the Tri-Cities endorsed a campaign goal totaling \$387,104 for 1969 at a luncheon meeting Wednesday at the Grand cafe and to present it to the UF board of directors at a meeting at 4:30 p.m. today at the YMCA.

The amount, \$387,104 more than last year's goal, was determined by the admission-distribution committee in July.

It includes \$339,437 for 15 agencies, \$37,667 for administration and for the AFL-CIO Community Services program, \$5000 for campaign costs and \$5000 reserve to cover unpaid pledges.

The agencies requested \$388,323 for next year. The 1968 allocation to them by the board was \$329,906.

A discussion was held on financial difficulties of one of the agencies, which seeks a supplemental allocation. John Solenberg, UF executive director, reported that 10 agencies have returned certificates of non-discrimination.

The Venice salary schedule (Continued on page 9, col. 4)

Workers Accept Pay Plan But City Kills It

The Granite City council, which a week ago suggested terms of settlement of the month-long wage dispute with union city employees, voted down its own offer Monday night.

The proposal, involving a \$55-per-month wage increase across the board for 140 employees, "died" for lack of sufficient votes to carry a motion for approval of the contract.

Nine council votes were necessary for passage. The vote was seven "yes" and six "no."

Action on the proposal, which had been advanced last Thursday night by council members, followed announcement in Monday night's regular council session of the city employees and their union representatives.

As a result, union leaders and members of employee negotiating committees will appear before the council again Monday night to ask for reconsideration of the contract proposal.

Will Meet Council
Although council members asked U. S. Mediator Robert Grams, who attended Monday night's council session and announced union acceptance of the city offer, to set up another meeting between employee representatives and city aldermen, union leaders said yesterday they plan to await further discussion with the council Monday night, when the aldermen again will convene in regular session.

Objections to finally approving the city offer developed among some aldermen during a discussion in which it was revealed current salaries of 13 employees at the city's pollution plant would be increased to equal the base pay of street department employees before the \$55 monthly wage increase was applied.

Some council members appeared to be surprised at this development, although Mayor Donald Partney later told the Press-Record that all members of the council had been discussing this subject privately for more than two years.

Partney said equalizing the base pay of pollution plant workers with that of the street department had been discussed during practically all the negotiating sessions since the city council took over negotiations as a committee of the whole three weeks ago.

Agreed on Sick Leave
To the union, the city decided to accept the city's \$55-per-month wage increase offer of last Thursday night because the city also in the Thursday night meeting, agreed to leave provisions of sick leave as they have been in the past instead of insisting on a more strict sick leave provision. The offer of \$55 in salary increases is \$85 per month below the bargaining demands of the police and firemen unions.

A new note of opposition from the city side also was injected into the meeting when Second Ward Alderman Samuel Whiteman, who is also the union representative of the police department, if the police interpretation of overtime in the request for time-and-a-half extra pay included time spent

Firemen Remove City Hall Pickets

Granite City firemen removed their pickets from the city hall this morning in cooperation with the city treasurer's office, a loss of \$35,000 in collection fees, as many taxpayers have decided against crossing the picket lines. The police and firemen are seeking a contract calling for salary increases and fringe benefits.

Collections today stood at a total of \$3,347,375 since June 24.

In court or would apply only to "call-out time."

LeMaster said the time spent in court testifying in police cases, when it occurred on the officer's day off, certainly was considered overtime. Whiteman said he would not vote for a contract on this basis.

Sixth Ward Alderman Richard Fry said that to clarify the entire picture he believed a motion should be placed before the council members.

Moves For Adoption
Fry then moved that the city council approve a new contract for all employees, including custodians, the painter, police, firemen, street department workers and pollution

Nine Are Recuperating After Surgery Here

The following are recuperating at St. Elizabeth Hospital from surgery which they underwent since Monday:

Nelson Crane, 2124 Cottage avenue, James P. Walker, 1177 Bissell street, Venice; Fred C. Macios, Route One; Barbara Chidester, 2406 West 23rd street, Wallace Cook, 4024 Lake drive; Dan Osburn, East St. Louis; Delores Essington, 3125 Aubrey avenue, Madison; Richard Edwards, East St. Louis; and Lowell Hampton, 2460 Adams street.

BIRTHS..
Births recorded at St. Elizabeth Hospital:

GIRLS
Mr. and Mrs. John Fox, 2404 Sunbury drive, Aug. 19, Rebecca Ann, nine pounds, 12 ounces.

Mr. and Mrs. Dennis Wick, Collinsville, Aug. 20, Dana Renee, seven pounds.

BOYS
Mr. and Mrs. John Everts, 3001 S. Main, Aug. 20, John Donald Everts Jr., six pounds.

Mr. and Mrs. Robert Shaw Jr., 3125 Aubrey avenue, Aug. 21, Robert David, 10 pounds, five ounces.

Mr. and Mrs. Everett Hawk, Collinsville, Aug. 22, Everett Arlen, eight pounds, eight ounces.

Mammoth Festival Of Flowers Sept. 8

Park District, Five Garden Clubs Sponsor Display and Judging

Widespread public participation is being sought for the first annual "Fall Flower Festival" here, sponsored by the Granite City park district in cooperation with the Army Depot Garden club, Cloverview Garden club, Garden Study club, Gardenaires club and Thorngate Garden club.

All activity will take place on Sunday, Sept. 8, at the Wilson Park ice skating rink pavilion.

Entries will be received between 7 a.m. and 10:30 a.m. that day, with no late entries judged. The show will be open to the public from 2 p.m. until 8 p.m.

Participation and attendance will be free.

Public Asked to Enter
Quid - Citizens who grow flowers are being encouraged to scan the list of categories and plan on submitting entries.

Schedules explaining the rules, outlining the categories and describing the various artistic classes of flower arrangements are available from the local garden clubs, and residents also may clip the city council schedule from this and subsequent Press-Record articles.

Inquiries concerning the flower show may be addressed to the general chairman, Mrs. Earl T. Glenn, 1629 Garfield avenue, who is president of the Gardenaires.

Presidents of the other participating clubs are Mrs. Fred Orr, Cloverview; Mrs. Merline Crone, Depot; Mrs. Arthur Roman, Garden Study; and Mrs. Robert Miller, Thorngate.

Committee Chairmen
Committee chairmen include Mrs. Charles Kohl of the Gardenaires, horticulture; Mrs. C. E. Eads of the Gardenaires, judges and clerks; Mrs. John Farrell of the Gardenaires, commercial exhibits; Cloverview Garden club, hospitality; and Thorngate Garden club, horticulture and exhibits.

Major divisions will be artistic, junior and horticulture. A description of the horticulture categories follows:

Section I: Annuals - plants that normally complete their life cycle in one growing season or less.

Ageratum—3 sprays
Althea roses (Hollyhock)—1 stalk
Amaranthus—1 stalk
Antirrhinum (Snapdragon)—1 spike
Arctostaphylos
Browallia
Catalpa—3 blooms
Calliopsis—1 spray
Callistephus (annual Aster)
Celosia cristata (Cockscomb)—1 bloom
Celosia plumosa (Feathered)—1 stalk
Centauria (Cornflower)—5 blooms
Clarkia

State May Bill City On Nameoki Road Delay

Stormwater Culvert Could Stall Widening Completion Until 1969

Delay by the city in acquiring right-of-way for the stormwater sewer ditch outlet is holding up completion of the Nameoki road improvement project, which may result in assessment of additional contract costs against the city by the state highway division, Granite City council members were informed Monday night.

In addition, the council was told, there is a possibility that completion of the Nameoki widening and paving project could be held over until next year unless the city's contractor on the stormwater sewer project is able to expedite culvert work where the sewer crosses Edwardsville and Nameoki roads.

Although the right-of-way problem was resolved by the council last Thursday when it voted to vacate August street in a trade with Granite City Steel Co. for the needed sewer easements along East 23rd street and Nameoki road, Harold B. Gegel, assistant district engineer of operations of the Illinois highway division at French Village, pointed out that the state's contractor on the Nameoki road improvement was ready to begin median construction Tuesday (Aug. 20), and that paving operations in this area were scheduled to start next Monday (Aug. 26).

Work Was Halting
In a letter Mayor Donald Partney, Gegel said that his office "has been advised that the right-of-way problem is due to the sewer crossing on Edwardsville road (the August street crossing) has been resolved, and that the S. W. Wilson Co. will return to work Monday, Aug. 19."

It is noted further that the contractor did no work in this area (East 23rd street and Nameoki road) since July 21.

"It appears," Gegel's letter continued, "that his (S. W. Wilson & Co.) date of completion now would be at least Sept. 15. The median crew employed by the state's contractor, A. H. Sheehy & Co., will be ready to work in this location on Aug. 20 and the I-11 paving operation is scheduled to start on Aug. 26."

Gegel said that in view of (Continued on page 5, col. 5)

Union Starch Co. Acquires Cargill Grain Elevator

Acquisition of a 25-million-bushel-capacity grain elevator facility by Union Starch & Refining Co., a wholly-owned subsidiary of Miles Laboratories, Inc., was announced here today by J. S. M. Dashwood, president of the Union Division.

The terminal, located on a 30-acre plot in Nameoki township just a few miles northeast of the division headquarters and main manufacturing plant in Granite City, was purchased from Cargill, Inc., a nationwide grain elevator operator.

The purchase price was not disclosed.

Dashwood indicated Union Starch customers are expected to benefit, as the possibility of interruptions in the corn supply will be lessened.

Ample Facilities
Built in the mid-1950s, the elevators on Cargill road south of Pontoon road has two truck dumps and two rail dumps and consists of 21 concrete bins plus four large cylindrical steel bins. Approximately a dozen persons are normally employed at the elevator, which is equipped with complete grain handling, blending and drying processes, as well as aerated storage, Dashwood said.

The site also includes room for expansion.

The added storage capacity will give Union Starch the opportunity to do considerably more business with local grain sources, since most of its corn supply in the past has come in by rail from more distant locations.

City Plan Cites Growth, Other 1968-85 Needs

By HARRY BARNES
(First of a series of articles outlining the new master plan for development of Granite City and its immediate environs.)

Granite City soon must make a decision concerning its annexation policy.

If Granite City is to experience any significant population growth and expansion of land area, it must initiate a "vigorous annexation policy" and encourage expansion in the direction it wishes to grow.

These are the suggestions of a comprehensive master plan for the future development of Granite City prepared over a two-year study period by the Southwestern Illinois Metropolitan Area Planning Commission.

The plan was outlined for the first time last week in a meeting of representatives of Granite City public agencies.

At the meeting, the discussion of multiple facets of what the future must bring in improvement of the area if it is to meet the demands of a growing population, not only in government administration but also in the building of schools, roadways

and streets, public buildings, housing and recreational facilities.

Covers Area Problems
It encompasses also the problems of efficient land use, expansion of economic opportunities and strengthening of the community tax base.

Also discussed in detail are the city's central (downtown) business district and improvement of commercial and industrial properties.

But to accomplish many of these things, the city must expand, the report notes, because

only 13% of Granite City as it is now constituted remains undeveloped.

John annexation becomes a major basic point upon which future projections of population and land usage must be based, and the report touches extensively upon this factor in at least three different sections of the plan report.

Granite City's present annexation policy by the city administration is not aggressive, says, noting that "the city is agreeable to annexation, but

(Continued on page 9, col. 6)

Bus Passes to Be Sold at 4 Banks

Starting Thursday, Aug. 22, weekly bus passes will be sold only at 70 outlets in the Missouri-Illinois Bi-State Transit System service area, including the four Quad-City banks, a spokesman for the transit firm announced this week.

This new pass plan becomes effective with the passes for the week of Sept. 2-8. No more passes of any type will be sold after Monday, Aug. 26.

Weekly passes can be purchased at the First Granite City National Bank, Granite City Trust & Savings Bank, First National Bank in Madison and American National Bank of Granite City.

In addition, the weekly passes may be ordered through the mail. Send check or money order (no cash accepted) and indicate the type of pass - Gold Pass (\$4.50), Silver Pass (\$3.50), Discount Pass (\$2.25) to Weekly Pass Department, Bi-State Transit System, 3869 Park Avenue, St. Louis, Mo. 63118, enclosing a self-addressed envelope. Bi-State will pay the return postage.

Mail orders must be received by Wednesday prior to the week of issue and the pass will be sent to the purchaser in time for use on the following Monday.

Those who do not use a weekly pass may pay regular fare on the bus for transit riders. Eventually, Bi-State plans to go to a "no change" plan where the bus operator will have no money in his possession and all fares will go into a locked vault for which the operator will have no key.

To prepare for this "no change" measure, transit officials urge that passengers get in the correct change habit—ride with a weekly pass, eliminating the need for exact change.

College Choral Group To Sing Here Sunday

The Bethanians, a quintet of students from Bethany Bible College, Santa Cruz, Calif., will be singing for the Sunday morning worship service at the First Assembly of God, 24th street and Grand avenue, this weekend.

They are Kaye Blackwood, Sue Vickery, Janice Peacock, Raymon Talley and Ken Jones, and are in this area to appear at the Council on Evangelism in the Kiel Auditorium next week. Talley and Jones are native Granite Cityans.

The council is being preceded by simultaneous revivals with Assemblies of God churches in the St. Louis metropolitan area using the theme, "Operation: Advance." Rev. Jay B. Oaks, pastor of Calvary Temple in Oklahoma City, will be speaking in both services Sunday as "Operation: Advance" comes to a close.

The Assemblies of God, largest of the Pentecostal denominations in this country, will consider a comprehensive study of their organizations, methods and goals during the Council on Evangelism opening Monday.

Between 8000 and 10,000 laymen and ministers from all parts of the nation are to attend.

Rev. Thomas F. Zimmerman, general superintendent of the assemblies, will conduct the conference, which extends through Thursday. He is a past president of the National Association of Evangelicals, and is first vice-chairman of the Pentecostal Fellowship of North America.

Kirkpatrick Teens Plan Hayride Party

Plans for a hayride for club members early next month and sponsorship of a party for handicapped teenagers in late September were topic discussed Tuesday evening by the Kirkpatrick Homes teenage club.

James Barnes, president, presided at the Kirkpatrick recreation hall. Mrs. Edith Evans, a guest and an advisor to the Kirkpatrick Pre-Teen group, reviewed ways to promote increased parental participation in activities of both young groups.

Mrs. Rudazyle Kramer, teen advisor, and Mrs. Evans, urged all parents of teenagers residing in the housing project to attend a meeting of the youth club. Sessions are held on the second and fourth Tuesdays at 7 p.m.

Trial for Dr. Dayan Continued for Month

Continuances to the September jury setting, of Madison county criminal court, were granted Monday in the trial of Dr. Jacobo "Jack" Dayan and his assistants, Mr. and Mrs. George Turner of Wood River, by Chief Circuit Judge Harold R. Clark.

A docket call was held Monday for 18 cases set for trial in a special jury setting which began this week. Six of the cases were continued until next month and two defendants are listed as fugitives.

"The other 10 were scheduled for trial during the current two-week setting.

Dr. Dayan, who specialized in docility treatment, is charged with aiding and abetting persons without licenses to treat patients. He had offices in Granite City, Wood River and East St. Louis. The Turners are charged with prescribing treatment for patients without having a license.

Motorist Arrested

Loren K. Darnier, 2141 Cleveland blvd., was charged with following a vehicle too closely while driving in the 3200 block of Fehling road at 10:05 p.m. Tuesday.

Consulting Engineer Will Plan Special Improvements

A sharp conflict between Mayor Donald Parney and Seventh Ward Alderman R. E. Robertson developed at the opening of Monday night's regular Granite City council session over a move by Robertson to "correct the minutes" of the council's Aug. 5 meeting.

The exchange of words involved Robertson's motion to change wording of the minutes from "city engineer" to "city consulting engineer" in regard to an Aug. 5 motion by Robertson that plans be prepared and bids called for on approximately \$100,000 in special improvements set up in the new 1958-59 city budget.

Robertson maintained that in his original motion he had referred the preparation of plans to the city's "consulting" engineer, but that the minutes prepared by City Clerk Homer Peniston said the work was to be done by the "city engineer."

The word "consulting" would change the meaning of the action, since the city council and the mayor have their own respective engineers in a long-standing feud in which a majority of the council has refused to go along with the mayor's appointment of a city engineer.

Use Different Engineers
Granite City's present city engineer is Edward Junius of

Sheppard, Morgan & Schwab, who is appointed from month to month by Mayor Parney without council confirmation.

Most of the council members, on the other hand, use the services of Research & Design Associates of St. Louis as a consulting engineer.

Had Robertson's motion as stated in the minutes been permitted to stand, the work might have been referred to Junius. As corrected to include the word "consulting," the job will go to the St. Louis engineering firm.

Robertson made his motion to correct the minutes in the first order of business, but Mayor Parney contended Robertson's action would change the meaning of the motion and therefore did not constitute a "correction" of the minutes.

Robertson persisted that the minutes did not state his original motion correctly and again placed his motion to correct the minutes.

"You are out of order," the mayor ruled.

"Then we'll see what the council thinks," Robertson replied. Robertson then placed a motion for the council to overrule the mayor's decision that his first motion was out of order.

"The motion didn't read the

way you're trying to change it," the mayor remarked to Robertson.

Robertson's move to overrule the mayor carried 10 to 3. Voting "no" were Aldermen Walter Norn, Richard Fry and Earl Jarrett. Three aldermen, Gerald Parney, Edmund Barlosiak and Clyde Boyd, were absent.

Robertson again placed his motion to correct the minutes. Third Ward Alderman Roy Paulos asked, "Where's our city attorney?" Mayor Parney said he is on vacation.

Wants Legal Opinion
"I think this should be held up for a legal opinion," Paulos said.

Fry, Sixth Ward alderman, remarked that "I can't see what this arguing is about. It doesn't

make any difference how the motion reads. We haven't any money for any kind of an engineer."

"These ex-mayors on the council sure are good things," the mayor remarked. Robertson and First Ward alderman Charles Moerlen formerly served terms as mayor.

Robertson called for a vote on his motion to correct the minutes. It carried 7 to 6. Those voting "no" were Samuel Whitmer, Paul Rutledge, Steve Barish, Norn, Fry and Jarrett. Only a simple majority of those present was required for approval of the motion.

Young Smith Band Wins Plaque at State Fair

Three young members of the Herman Smith family of Edwardsville, formerly of Granite City, competed in a band contest at the Illinois State Fair Sunday and won a plaque and pins.

They are Albert, 15, who plays the accordion; Marjorie, 17, who plays the Spanish guitar; and Rosemary, 13, who plays the electroharp.

They are to play Sunday on the day cruise of the SS Admiral.

In Belleville-Hospital
Mike Simpson, 1824 Market street, Madison, entered St. Elizabeth Hospital at Belleville this week for skin grafting. He will be there two weeks and would appreciate hearing from friends.

'Mind' to Be Christian Science Topic Sunday

"Mind" will be the topic of the lesson-sermon Sunday in all Christian Science churches around the world, including First Church of Christ, Scientist, 2360 Delmar avenue. The service will be held at 10:45 a.m.

Selections to be read from the denominational textbook will stress the healing power of God and the importance of understanding divine precepts regarding "the foundation of fellowship, in which one mind is not at war with another, but all have one Mind, one Spirit—God."

Window Screen Cut
William Sloss, 2817 Fortune drive, reported at 10:35 p.m. Tuesday that someone had cut the screen on his bedroom window the previous day.

Checkerboard Squares Get State Invitations

The Granite City Checkerboard Squares received numerous invitations to perform throughout the state during the group's two weekends at the Illinois State Fair, where they presented four shows on each of four days.

One of the invitations was for a television appearance on a station in Clinton this fall.

The climax for the local entertainers was the last-day arrival of Gary Greene from Saigon, Vietnam. He shared the calling with Shelly Boyd, his protegee, in the exposition building. The group was asked to do several additional performances on Sunday afternoon.

Page 4 Thurs., Aug. 22, 1968 Granite City PRESS-RECORD

Vigilantes Trap Man Molesting Teenagers

A man who exposed himself to three young girls, offered them money to accompany him and later grabbed one of the girls and tried to force her into his car was detained for sheriff's deputies by members of the Bend road vigilante group Monday afternoon.

The Madison county sheriff's office identified the man as Charles Durbin, 21, formerly of Edwardsville, a Menard parolee, previously convicted on burglary charges in Christen county, Ill. The parole was revoked and Durbin was to be returned this week to Menard, the county law authorities reported.

William Nichols, one of several Bend road residents who

formed the vigilante group last week, said male relatives of the teenage girls blocked the roadway and held the man until the deputies arrived. The girls were 14, 16 and 17 years old.

Nichols told the Press-Record that a "war of attrition" against himself, his family and property in connection with vigilante activities is continuing.

He said an auto was driven around a bend field on his property some time Monday night, mashing down the crop, which was scheduled to be harvested in about a month.

The auto was reported stolen at 6:30 a.m. Tuesday by James Taylor, 3208 Kirkpatrick Homes. Fingerprints were taken from the vehicle and an investigation is under way.

Charles Miller, 88, Dies Unexpectedly

Charles Miller, 88, of 2200 Benton street was pronounced dead on arrival at St. Elizabeth Hospital from his home at 1:30 p.m. Wednesday. He had been ill for about two months.

Born in Reevesville, W. Va., he came to St. Louis in 1909 when a steel mill was located there, moving to Granite City in 1911. Employed as a roller at Granite City Steel Co. for 41 years, he retired in 1952.

Mr. Miller was a member of the First Baptist Church of Granite City and Local 67 of United Steelworkers, was a past master of Masonic Lodge 877, was active in the Scottish Rite and Aired Temple, and was a 65-year member of the Elks, including Lodge 1063. He originally belonged to the Elks in West Virginia.

Michael Britt Phones Parents from Vietnam

Spec-four Michael Britt, son of Mr. and Mrs. Thomas Britt, 714 Third street, Venice, called his parents this week from his base at Vung Tau, Vietnam.

He is serving with the 306th Signal Battalion and has been overseas for 16 months.

A 1965 graduate of Venice high school, he was employed at Dow Chemical Co. prior to entering the service. He was at home in March of this year for a 30-day leave.

Cletis Cleaves, 48, Venice, Dies Suddenly

Cletis Cleaves, 48, of 127 Hampton street, Venice, taken from his home to the John Cochran Veterans Hospital, St. Louis, by ambulance and pronounced dead upon arrival at 9:30 a.m. Wednesday.

He had been treated for a heart ailment for several years.

Born in Gideon, Mo., he moved to Venice five years ago and had been retired for four years. He was a member of the Gospel Chapel General Baptist Church of Madison.

Surviving are four daughters, Mrs. Cletis Hadley of Granite City and Misses Connie, Rhonda and Pamela Cleaves, all of Venice; one brother, Gene Cleaves of St. Louis; and two grandchildren.

Funeral arrangements are given in today's obituary column.

Dennis Green, 9, Dies

Dennis Green, nine, son of Charles Green, 164 Voltaire place, Mitchell, was treated at St. Elizabeth Hospital at 4:50 p.m. yesterday after he was bitten by a dog on the right leg. He sustained a one-inch cut, three puncture wounds and bruises.

Rotarians to Remodel YMCA Auditorium Here

Plans to redecorate the auditorium of the YMCA are being made by the Granite City Rotary club. Proceeds from their Modern Living Show to be conducted Sept. 19-22 at the Wilson Park pavilion will be used.

The room, approximately 30 x 75 feet, will be known as the Downtown Civic Center at the YMCA when the renovation is completed.

Plans include lowering the ceiling and using decorative chandeliers and new drapes. A complete color theme and paper for accessories has not yet been decided upon.

The Modern Living Show is to be held at the Wilson Park picnic pavilion and will feature latest home appliances, labor saving devices, clothing, draperies, carpeting and other articles.

Joseph J. Petyko jr. Dies; Ill Three Weeks

Joseph J. Petyko jr., 61, of 39 Lohel Drive, East St. Louis, died in St. Mary's Hospital, East St. Louis, at 3:45 p.m. yesterday after an illness of three weeks.

Mr. Petyko was a supervisor at O'Beir Nester Glass Co., where he had been an employee 40 years. He was a veteran of world war II.

He is survived by his wife, Mrs. Regina Peters Petyko, formerly of Granite City; a son, Joseph III, and a sister, Mrs. Steve (Louella) Sabo, both of East St. Louis. He also is survived by his mother-in-law, Mrs. Mary Peters, and his sister-in-law, Mrs. N. F. (Viola) Slay, both former residents of Granite City and now of Houston, Tex.

Funeral arrangements are given in today's obituary column.

Dog Bite Victim

Dennis Green, nine, son of Charles Green, 164 Voltaire place, Mitchell, was treated at St. Elizabeth Hospital at 4:50 p.m. yesterday after he was bitten by a dog on the right leg. He sustained a one-inch cut, three puncture wounds and bruises.

Ogilvie Pledges Full Support of Illinois Airport

Richard B. Ogilvie, Illinois Republican gubernatorial candidate, pledged himself yesterday to full support of a program to secure a second major airport for the Illinois area of the St. Louis Metropolitan region if he is elected governor in the Nov. 5 election.

In a statement issued at Springfield by aides, Ogilvie, now president of the Cook County Board of Commissioners said "it is both logical and reasonable" to locate the new airport in Illinois where feasible sites are available in either Madison, St. Clair or Monroe counties.

Ogilvie pointed out that any site on the Missouri side of the river would require a location well beyond the suburbs of St. Louis. This, he said, would require a trip of 40 minutes to an hour to and from the area's business and industrial complex.

Sites Available

He said that Illinois can offer sites in the three-county area of Madison, St. Clair and Monroe which are not only accessible to St. Louis, being about 15 minutes away, but also provide greater opportunity for area economic and industrial development.

A legislative measure providing \$50,000 for a feasibility study of the entire Illinois-Missouri metropolitan area was approved in the recent special session of the Illinois legislature.

Ogilvie agreed with former statements by Gov. Shapiro that other state officials that location of a new major airport in Missouri would place it "well beyond the sprawling suburbs of St. Louis."

Ogilvie urged that the \$50,000 be used in making a study in cooperation with major planning groups in the Illinois-Missouri area. He particularly mentioned the East-West Gateway Coordinating Council and the Southwestern Illinois Metropolitan Area Planning Commission.

Aron Andra Dies In Nursing Home At 83

Aron Andra, 83, Rural Route One, Caseyville, died at 3:25 p.m. yesterday in Parkview Colonial Manor Nursing Home, O'Fallon, Ill. He had many friends in the Quad-Cities, and a daughter-in-law, Mrs. Nick (Irene) Andra, is a nurse employed at the St. Elizabeth Hospital emergency room.

Mr. Andra had been ill eight years and was a patient at the nursing home the past two weeks.

He was a native of Austria-Hungary and had resided in this region for 56 years.

Prior to retirement 16 years ago, Mr. Andra was employed 27 years as a laborer at Allied General Chemical Co. He was a member of Verbovoy Aid Association. His wife, Katie, died April 17, 1956.

Surviving are three sons, Nick of Caseyville, Pete of Washington Park and Mike Andra of Chicago, and a grandson, Michael Andra of Chicago.

Funeral arrangements are given in today's obituary column.

Venice Faculty Members Named

The Venice board of education approved hiring two new teachers and authorized transfer of funds from July 1 to August 31, 1968.

Added to the Venice faculty for the 1968-69 school year are Josephine Costarella, a graduate of Southern Illinois State College, New Haven, Conn., with two years of teaching experience, who was assigned the position of girls' physical education teacher.

Also hired was George A. Wiemers, who holds a master's degree in business education from Western Illinois University. His previous teaching experience includes two years at Western Illinois Junior College, Macomb. He was recruited as driver education instructor.

Venice Superintendent John O. Pier reported the Illinois Office of Public Instruction has approved a \$32,266 grant to the Venice district from Title I funds, and also approved allocations of \$32,320 from General Education Development (Public Aid, Law and Order) and \$550 through the Gifted Program.

Repaid to the working cash fund by the district were amounts of \$1292 from the bond and interest fund, \$13,330 from the building fund and \$62,000 from the educational fund. The larger sum was transferred from the original fund to meet payroll and other expenses at the conclusion of the 1967-68 fiscal year.

In other action, board members discussed purchasing two window air-conditioners to replace a non-functioning unit in the Venice grade school principal's office and agreed to set up a meeting with custodial staff members to discuss their assignment and responsibilities.

Supt. Pier announced that furniture and equipment were moved Monday into the new nine-classroom addition at Venice grade school in preparation for the start of school next week.

Monthly bills approved for payment totaled \$320 from the educational fund and \$347 from the building fund. The latter amount included a total of \$1112 reimbursement from the Venice district's GEC program.

Out-of-State Refuse Ban Declared Illegal

Efforts by Madison county officials to ban out-of-state hauling of refuse into Madison county was declared to be illegal and unenforceable in a ruling issued Wednesday by Associate Judge Foss Meyer at Edwardsville.

He also declared to be invalid the separate license fees of \$100 for out-of-state haulers, compared to \$5 for county haulers, as established in the county's sanitation ordinance. The state has placed a limit on fees at \$50.

The declaratory judgment followed a temporary injunction against the county ordered by Circuit Judge James O. Morrison.

The county board of supervisors was represented by William Kinder, assistant state's attorney, who conceded the excessive fee argument and said he was not prepared to litigate on the issue of the ban, which was ruled a restraint of trade.

DAVE RICH JOINS L. H. CONNOR HEALING REVIVAL

Rev. News! The Rev. L. H. Connor from Jefferson, Ind., has spearheaded a Holy Ghost Move of God. In the past 6 weeks over 2000 have received this power from Heaven that makes the young and old speak in unknown tongues, truly it sounds as if one was at the U.N. Conference in New York.

Dave Rich, C.R.A. Recording Artist, Grand Ole Opry star, was won to Christ through Rev. Connor's first revival he held in 1956 at Hartford, Ky.

This man, Dave Rich, has defied the laws of fame and fortune, leaving the show business, and Jim Reeves was together on a float at Meridian, Miss., where crowds of 30,000 to 40,000 gathered early in 1956. A writer and singer who recorded many that were high on the Hit Parade. He and the Mayor of Chattanooga, Tenn., rode together with over 5,000 dressed in their red sweaters to celebrate his latest hit, "Red Sweater".

The Mayor proclaimed a "Red Sweater Day". He has received deliverance by the prayers of this 20th century miracle preacher, who prays to the God of the living and the dead. "You have read about it heard about it, now come see and hear for yourself."

He has traveled extensively in foreign countries with his missionary work. Last year Dave and Rev. Connor spent 45 days preaching all over South America and their plans are to return to

Governor Approves 'Stop-Frisk' Bill

The "stop and frisk" bill passed by the Illinois legislature in July was signed into law Wednesday by Governor Samuel H. Shapiro.

The law provides that a peace officer may stop any person in a public place for a reasonable period of time if the officer assumes from the circumstances that the person is committing, or is about to commit, a criminal offense.

The officer may demand the name and address of the person and an explanation of his actions, but the questioning is to be conducted in the vicinity of where the person was stopped.

The measure is effective immediately. Gov. Shapiro yesterday also signed into law a bill empowering mayors of Illinois municipalities to order blanket curfews in the event of a riot, and a bill authorizing municipalities to enact fair housing laws.

Four Tornado Victims Remain in Hospital

Four of the five people hospitalized following the tornado which struck the Fun 'n' Sun beach resort near Mitchell, at 4:15 p.m. Sunday, remained confined, although all are in good or satisfactory condition today.

St. Elizabeth Hospital reports the condition of all three youngsters admitted here conducted by a man flying glass is good. They are Homer R. Gray, 15, son of Mr. and Mrs. Homer Gray, South Normal, Ill.; 11-year-old son of Mr. and Mrs. Charles Capell, East St. Louis.

Listed in satisfactory condition at Missouri Baptist Hospital, St. Louis, is Lowell Crocker Jr., 18, Overland, Mo., who underwent surgery for leg injuries and earlier was in serious condition. Mrs. Joyce Frechman, 38, Maplewood, Mo., was released yesterday from Missouri Baptist Hospital.

Century-Old Insurance Firm is Topic of Club

The history of the Metropolitan Life Insurance Co. which is celebrating its 100th birthday this year, was the program presented by Club Vice-President Richard Suss for a weekly meeting Wednesday at the Madison Rotary Club.

Will Radman, president, presided. The main discussion involved plans for improvement of the memorial playground.

MORE ABOUT Unified Fund

and the other five are expected by Sept. 1. They are to be turned over to the Granite City Armory as the largest federal agency in the county are required for UF solicitation of federal employees.

The meeting was conducted by A. P. Steinhauer, UF president, and was attended by 15 members in addition to Solicitor General and County Attorney, AFL-CIO Community Services representative.

South Africa after the Granite City crusade. In East Texas for 2 1/2 years, no church could hold the crowds—thousands of multitudes. Dave's Ministers from far and near came to witness this repeat of Pentecost. Over 5,000 received the Holy Ghost in that protracted move of God.

You will find this man, Dave Rich, at 18th and State, the former Moose Hall nightly at 7:45. Thursday night, Aug. 22, will be the first night in the air around 500.

Rev. Rich decreed that Granite City and surrounding areas would see a repeat of Pentecost in the Upper Room, where the first crusade broke out nearly 2,000 years ago.

In some of his past meetings such men as Pete Drake have come to help with the music. In five revival crusades, the Happy Goodman Family played and sang their way into the hearts of multitudes. Dave's brother, Spider Rich, the writer of "Hidden Charms" and "Yakety Sak", recorded by C. E. Atkins and Boots Randolph, will join him in a short time.

Spider was converted recently by Dave's revival. He said this writer would say, "You have read about it heard about it, now come see and hear for yourself."

PUBLIC INVITED TO ATTEND IN THE BEAUFORT UPPER ROOM AUDITORIUM, 19th & State, Granite City, Ill. 7:45 NIGHTLY AND 2:30 SUNDAY EVE.

ADVT.

In subsequent discussion on Fry's motion, Alderman Charles Moenier of the first ward, chairman of the city's pollution plant committee, raised objections to upgrading the plant. The salaries of pollution plant workers are paid out of the pollution plant fund, which receives its income from operation of the system.

"We've been working hard to get this system to where it is now. We don't have the money to pay a double salary increase and that is what this amounts to," Moenier said.

He charged that an increase in sewer rental fees, which are necessary for the present funds were used to pay salaries equal to those of street department workers "and then put another \$53 raise on top of it."

Fifth Ward Alderman Walter Nonn protested that "I've said before and I'll say it again that I won't go along with any kind of a contract unless the workers' union then put another \$53 raise on top of it."

Nonn, directing his remarks to the union leaders in the audience, said:

"One of the things that you forget is that next year we are going to start paying on a \$5 million dollar bond issue, and we've already lost \$35,000 in tax commissions because of it. We don't want to come into the city hall to pay their taxes. We don't think you people want this town to go into the red."

William Dallas of the First Ward and Ford Johnson of the Eighth Ward sounded similar criticism of the union leaders for failure to accept the city's earlier offer of staggered raises for a three-year period which would have given city workers a total raise of \$120 per month by May 1, 1970.

Both aldermen said they believed employees had made a mistake in not accepting that offer, which they described as a "realistic" proposal. Both said they would not go along with the \$53 wage offer.

In the subsequent voting, the seven "yes" votes were cast by Aldermen Steve Basarich, R. E. Robertson, Fry, Ed Johnson, Emerald Dawes, Claude Green and Whitmer. Voting "no" were Dallas, Moenier, Climbler, Rutledge, Nonn and Johnson.

Aldermen Clyde Boyd, Gerald Parmley and Edmund Bartoiaik, who have been attending a United Steelworkers convention and Parmley and Bartoiaik were working.

Records show that equalization of salaries of pollution plant workers would require a monthly increase of \$57 for three employees and about \$37 for each of ten other employees.

The average base pay of street department employees is \$582 per month, while operating engineers at the pollution plant have a base pay of \$545.

Three truck drivers employed at the pollution plant receive \$525 per month. Mayor Parmley said yesterday that the plan to raise the base pay of pollution plant workers "is already two years late."

He said that when the plant first went into operation, city employees were told that if they would go along with the base pay for one year, their salaries would be brought up to the street department base.

"The aldermen have been pushing this around for two years, and now they're saying, 'Everyone on the council knows the situation. It is time to live up to our promises to these workers.'"

The city's more stringent sick leave policy would have required that the first day of sick leave and provided that pay for absence due to illness would be made only after an

MORE ABOUT Employees

plant employees, with the contract to include a \$55 per month wage increase, time and a half overtime for call-out time, and other fringe benefits unchanged from their present status.

His motion provided that the contract cover a one-year period from last May 1, and that the sick leave provision and other contract proposals remain open to reappraisal next year.

It is understood that the work required under this permit shall not interfere with the state's contractor and any claims that the state's contractor may have due to the presence of, or due to construction of, the installations as provided for in the permit shall be accepted as the sole responsibility of the petitioner (the city).

Gegel added that "A. H. Sebold & Co. may request reimbursement due to the above mentioned work elsewhere. It is our opinion that immediate steps should be taken (by the city) to expedite completion of the project (Namekoi road)."

The plan carried 12 to 12 with the holding up completion of the state project (Namekoi road). The city's contractor (Sebold) is attempting to complete this project this year. Under state specifications the I-11 surface must be completed by Oct. 15 or the project will have to be held over until next year.

"This becomes necessary," the letter concluded, "it will create problems for the city, the state and contractor. If you want this project completed this year as much as I do, so will you please try to get the contractor expedite his work."

Began Work Monday
The S. M. Wilson & Co. firm began work on the Edwardsville road and Namekoi road project Monday morning, immediately upon receiving the city clearance from Granite City Steel Co. The clearance was given following last Thursday's council action approving the August street closing and thus consummating the agreement with the steel firm for the needed easements.

Gegel told the Press-Record Tuesday that the delay in progress on the city's sewerwater sewer outlet and the culvert under Edwardsville road was considered by the highway officials as a city responsibility.

If additional contract costs by the Sebold contracting firm result from delay in its completion of the work, the city will pass this cost along to the city.

The delay in acquiring the right-of-way involved objections by a majority of council members to closing August street and trading its 3.3 acres of area to the steel firm for right-of-way along East 23rd street and Namekoi road.

The council, however, finally approved the proposal last Thursday night on a motion by Alderman Edmund Bartoiaik. The plan carried 12 to 12 with the holding up completion of the state project (Namekoi road). The city's contractor (Sebold) is attempting to complete this project this year. Under state specifications the I-11 surface must be completed by Oct. 15 or the project will have to be held over until next year.

"This becomes necessary," the letter concluded, "it will create problems for the city, the state and contractor. If you want this project completed this year as much as I do, so will you please try to get the contractor expedite his work."

MORE ABOUT State May

This situation "It is requested that the city's contractor use extra help and work overtime so that the culvert (through Edwardsville road with the Edwardsville sewer culvert) can be finished as soon as possible."

The highway engineer told the mayor that the permit issued to the city for crossing Edwardsville road with the Edwardsville sewer culvert contained a provision which said:

"It is understood that the work required under this permit shall not interfere with the state's contractor and any claims that the state's contractor may have due to the presence of, or due to construction of, the installations as provided for in the permit shall be accepted as the sole responsibility of the petitioner (the city)."

Thursday night's recessed council session. Considerable political blayplay marked the two months of controversy over the proposal to trade August street for the sewer right-of-way. The city council split half and half when the issue first came up in June.

Proponents of the street closing were handicapped by a section of the Municipal Code requiring a three-fourths vote of all council members to approve the vacating of a street. This meant that 12 council votes of the 16-member council were required to approve the property exchange.

A test of strength came on Aug. 12 when four aldermen who previously opposed the street closing said they were changing their votes so that sewer work could be hurried to completion.

Storm Influenced Vote
They attributed their change of heart to a severe rainstorm that struck the area on Thursday, Aug. 8, and flooded sewer excavation areas along East 23rd street, where work had been halted by lack of the ditch easement.

On a motion by Alderman Bartoiaik in that meeting, the council voted 11-4 to suspend the rules which permit presentation of an August street vacating ordinance on final passage.

FOOTBALL HANDOFF PRACTICE is one of many drills undertaken by the Granite City high school Fighting Warriors. Drills began Wednesday morning, with 132 athletes appearing for the initial

workouts. Handing off the ball is Quarterback Roger Belshe to Halfback Mike Bradford as Center Ken Hall and Chuck Mizerski practice one-on-one block. At the right, the tires aid in developing agility.

SU-SW Freshmen to Include Top Soccer Players of Region

Nine St. Louis area high school graduates who are leading junior soccer players have enrolled as freshmen at Southern Illinois University's Southwestern campus, Bob Guelfer, head soccer coach, has announced.

John Carenza, Tom DeGreff and Larry Schmidt played with St. Mary's high school squad, which captured the Catholic Athletic Conference League championship and lost the final match in the state district championship to DeAndreis high. They are among those who registered in the last week at SU-SW.

Other incoming freshmen are Fred Faucett, John Deinoski and Joe Galvin, Northwest high; Jim Stranz, McBride high; Tom Howe, CBC high; and Denny Humeke of St. Louis University high.

All nine of these high school products, except Tom Howe, played in the strong CYC District Junior League last year. Howe was a member of the Lindburg squad of the Khoury League.

Faucett and Deinoski were members of St. Philip's Junior club, which won the National Junior Cup championship of the United States Soccer Football Association, and the CYC Junior District title.

Earlier Guelfer had announced that six senior players, transfers from colleges, had enrolled at the SU-SW campus. This makes a total of 15 outstanding soccer players who have enrolled for the fall quarter.

Football Squads Open Drills for New Season

Football practice for Granite City and Madison senior and junior high schools is in full swing now as the teams get into shape for their opening games, most scheduled for Sept. 13.

The Granite City high school record by having 132 boys report for their initial workouts yesterday, including 74 varsity candidates.

The Madison Trojans, in respect to the size of their school, had a large turnout for their first workouts with 52 juniors and seniors greeting new coach Alvin Vonder Haar.

Practices began at Coldidge and Grigsby junior high schools yesterday and the coaches plan single session workouts today and tomorrow.

Prather started this morning and will have two sessions tomorrow and Saturday, with a single practice slated for Monday.

Hibbard Back for Car Races Here Tomorrow

Larry Cannon, Roy Hibbard and Bill Utz are only a few of the 30 supermodified sprint car drivers who will be in action this Friday when Tri-City Speedway presents a 40-lap feature event.

Hibbard will be trying to start a new string of victories, as he was stopped at four when he missed the races Aug. 8.

The 40-lap feature and \$1800 guaranteed purse will assure one of the best supermodified sprint car fields of the year.

In addition to the complete supermodified sprint car program, hobby cars will be featured in a tandem bending action.

The local speedway is the only track in this metropolitan area that presents both supermodified sprint cars and hobby cars.

Time trials are at 7:30 p.m. and racing at 8:30 p.m.

Junior Sports State Finals Opens Today

Seven Quad-City youngsters are among 578 finalists aged 10-18 assembling today at Sterling-Rock Falls for the 13th annual Illinois Junior Sports Jam-boree. Co-sponsors are the Illinois Youth Commission and Illinois Jaycees.

They are Rusty Melford, Mike Martinez, Dale Williams, John Fulcher, Jeff Melzer, Jerry Sedabres and Kirk Champion.

After checking in at the jamboree headquarters this evening, they will be taken to Lawrence Park for a box supper and a get-acquainted party featuring swimming and dancing.

The park is on an island in the Rock river and will be reserved exclusively for the jamboree finalists throughout the evening.

Tomorrow morning, the contestants will ride in a parade through the business districts of Rock Falls and Sterling. Dozens of stores and office buildings will be draped in red, white and blue bunting in recognition of the young athletes.

Competition in field events will take place Friday afternoon at the high school stadium, and track preliminaries will be run under the lights Friday night. The track finals will be Saturday morning.

The jamboree will conclude with a festive banquet Saturday night at Newman Central high school, followed by a colorful awards ceremony in which each athlete will receive a trophy.

Gov. Samuel H. Shapiro is expected to make the presentation of special awards for outstanding performances, and sportsmanship at the beginning of the ceremony. The governor will be accompanied by his wife and children, and will be upon his duties as rules chairman for the national Democratic convention in Chicago.

Khoury Competition Resumes at Mitchell

The Mitchell Khoury League will have its second week of baseball tournament play Saturday and Sunday as teams from last week return to start second round of competition.

Scheduled to play in the Atom Division Saturday are: Madison vs. Mitchell AC No. 1 8 a.m.; Dupo vs. Tri-City Cue Tigers, 10 a.m.; and St. Ann ABS All-Stars vs. Collinsville Division, 12 p.m.

On Sunday, the loser of the 8 a.m. game Saturday will play the loser of the 6 p.m. game for third place. The championship game will be played at 3 p.m. Sunday between the winner of Saturday's 8 a.m. game and the winner of the 6 p.m. game.

In the Bantam Division Saturday, it will be Mitchell AC vs. Madison at 2 p.m. and Dupo vs. Uptown at 4 p.m. Losers of these games play for third place Sunday at 1 p.m. and the winners for the championship at 5 p.m.

W-W Squad Takes Class C 1st Place
First place in the Class C slow pitch softball league was decided Monday evening at Worthen Park as W-W Confectionery downed Gaston 6-0, scoring 7-6. Going into the game, both teams were tied for first place for the year in their division.

Other final Class C contests scores were Mexican Honorary Commission over Polish Hall 5-1, GC Steel Credit Union beating Sammy's Tavern 9-4 and the state champion Clark Vikings beating Community Height Reds 6-5.

W-W was aided by a two-run homer by Norville Baker.

For Credit Union Bob Patrick, Norm Grote, Doug Winfield, Mike Sues, Bill Evans and Larry Melton each had three hits. Patrick was credited with the win. Harry Briggs homered for the winners.

Holiday Mobile Homes rallied

TENNIS TOURNAMENT CHAMPION John VanBuskirk (center) with the Granite City park district invitational most trophy, which Ron Underwood (right) would have won permanently with a victory this year. Van Buskirk defeated the two-time champion 6-3, 6-4 in the finals. At left is Park Supt. Harold Brown.

Men's, Women's Slow Pitch Softball Meets Next Week

The Granite City park district is accepting applications now for its 11th annual Labor Day slow pitch softball tournament, which will begin Aug. 26 and continue through Labor Day, Sept. 2, at Worthen Park.

Last year, the tournament drew 20 men's teams, each getting a chance for a comeback after one loss. Again this year it will be a double-elimination

tournament.

Teams wishing to enter may pick up entry blanks at the park district office. Deadlines for the entries will be Aug. 23, and drawings for first games will take place that evening and be announced here Monday.

As an added attraction on the Labor Day weekend, the park district is conducting a

women's slow pitch tournament at Wilson Park, starting Aug. 31 and running through Sept. 2. These entry blanks may also be picked up at the park district office.

Entry fee for the men's tournament will be \$20; for the women's meet, \$15. These will be the last scheduled games of the Wilson Park and Worthen Park diamonds for this season, barring any more rainouts.

Mercer, Tied for 1st, Hosts Strong Molitors

Granite City will have its first-place team at home Sunday as Mercer (11-5) tied with the East Alton Machinists for the lead in the Blue Division of the Inter-City Baseball League, enters the Red Division champion Molitors of Collinsville (14-3) for a 2:30 p.m. game at Wilson Park.

This will be the last regular game of the season for Mercer unless it finishes in a tie with East Alton, which will play Troy (2-13) at East Alton.

If a tie occurs, the two teams will meet Sept. 1 for the Blue Division championship.

Granite City Steel Credit Union (4-11) will be playing the Polish-American War Veterans (8-5) at East St. Louis and the Poshonians Braves (9-7) will be the guests of the Maryville Red Sox (4-10).

Key Playoff, Season Games at Parks Here

The Class A slow pitch softball league at Worthen Park held its first round of playoff competition Wednesday evening as Polish Hall, first for the season, beat Sammy's Tavern 8-5 and Mexican Honorary Commission, second for the season, slipped past third-place Clark Vikings 8-7.

Granite City Steel Credit Union pounded out 25 hits Tuesday evening to beat Falstaff 22-6 in a Class A slow pitch softball game at Worthen Park.

Polish Hall blanked the Community Height Reds as pitcher Stan Serwatka was credited with a five-hitter in its 13-0 victory.

John Conkovich had two singles, a double and triple for the winners.

For Credit Union Bob Patrick, Norm Grote, Doug Winfield, Mike Sues, Bill Evans and Larry Melton each had three hits. Patrick was credited with the win. Harry Briggs homered for the winners.

Holiday Mobile Homes rallied

Midtown, Tony-Joe Win Playoff Games

Midtown Pharmacy beat Cochlite 17-4 and Tony and Joe's beat Jacobmeyer 11-8 Monday evening at Wilson Park in the first round of 35 and Over League playoffs.

First Church of God beat Emmanuel Baptist 15-6 in a rescheduled game in the Church League Blue Division.

Ed Reingalt hit two consecutive home runs for Midtown to highlight its 21-hit attack. Jack Scarborough hit three singles and a triple to back winning pitcher Paul Schuler.

Frank Orris had three hits for Cochlite and Charles Melzer had two hits.

Tony and Joe's pounded out 14 hits, including two apiece for Millard Schwendeman, Gus Lignoul, Ron Homyer and Rufus Ketter. The winning pitcher was Paul Thompson.

Larry Puent homered for Jacobmeyer, Von Dee Cruse was the losing pitcher.

Jerry Stone had four hits and Randy Jackson five hits, including a home run in First Church's 26-hit attack. Harvey Jackson was the winner and Mike Harper the loser.

Soccer Program to Begin Here Sept. 7
The managers and coaches of the YMCA boys soccer program met briefly Tuesday evening at the YMCA to discuss plans for the coming season.

It was decided that the leagues will begin Sept. 7, with the final games scheduled for the end of the season.

There is a need for boys (6-13) interested in playing on these teams to contact Ruben Mendoza at 876-7200.

Weld Wins
Before 5100
Racing Fans

Greg Weld of Kansas City, Mo., won the 30-lap feature sprint race at Tri-City Speedway Monday evening for the second time this year and for the second time in the Branson-Mueller Memorial race. Placing second was Wil Spalding of Granite City, who led for the first six laps after starting from the No. 8 position. Gary Bettenhausen was third, coming from the back of the 14-car lineup.

Carl Williams was fourth, followed by Karl Bussan and Rolie Beale. Fastest qualifier was George Snyder. Heat races were won by John Rutherford, Spalding, and Bettenhausen, with the semi-feature going to Bettenhausen. The racing was viewed by 5100 fans.

B&E Capture Boys' Slow Pitch Softball Playoff Championship

The High School Boys' slow pitch softball league came to a close Tuesday evening at Wilson Park as B&E slipped past Kentucky Fried Chicken 8-7 in the playoff title game.

In women's slow pitch action, Matthews Chevrolet beat Schreiber's 14-8 and Kentucky beat Rodney Eads, 11-6, in the first round of playoffs. Winners of the two games meet later this week.

The final game of the evening saw B&E triumph over Kentucky 14-8 in the championship game.

B&E was trailing 7-4 going into the seventh. Jones, Thompson and Stoff hit doubles in the inning.

Mike McGovern was the winning pitcher and Bruce Buttery the loser.

GC Man Injured Seriously; 15 Others Also Hurt

A Granite City man was injured seriously last night on the old Chain of Rocks Bridge, bringing the area traffic toll to 16 injured in 22 traffic accidents since Monday.

Ewing Thompson, 37, of 5425 Evergreen drive, was injured when he lost control of his auto at the curve on the old Chain of Rocks bridge and struck an abutment at about 9 p.m. Wednesday.

He was taken to Homer G. Phillips Hospital, St. Louis, where his condition was reported as serious.

Mrs. Carol Maxwell, 21, of 2823 Marshall avenue was injured in the auto accident. She was admitted to St. Elizabeth Hospital at 6:15 p.m. Wednesday with pains in the neck and spine.

Details of the mishap were unavailable.

Cash Injuries Five

Mrs. Carol Dominguez, 21, of 2309 Washington avenue, is in fair condition at St. Elizabeth Hospital after being injured while a passenger in an auto driven by her husband, Felix, 30, at 7:25 p.m. Tuesday.

Two of the couple's three children, a woman passenger and Dominguez also suffered minor injuries and were given emergency treatment.

The accident occurred at U. S. 40 and Kingshighway in Fairmont City when Dominguez' eastbound car collided with the westbound auto of Everett Davis of St. Louis, 40.

Mrs. Dominguez suffered chin lacerations and abrasions and contusions to the left ankle, right knee and left leg. She complained of pain in the right shoulder and neck and underwent x-rays of the skull, spine, ankle and shoulder.

Her husband was treated for contusions to the forehead, while John Dominguez, five years, sustained a bruised left shoulder and underwent x-rays of the shoulder and skull, and Felix Dominguez, four months old, was treated for contusions and abrasions to the forehead.

Another son, Michael, 12 months, was examined and found uninjured, but a fifth passenger, Esther Bevil, 51, of 2094 Washington avenue, was treated for abrasions to the right leg and contusions to the nose and right cheek. With the exception of Mrs. Dominguez, all were released after treatment.

Three persons were injured in a two-car collision at Broadway and Klein street in Venice about 6:15 a.m. Tuesday. Autos driven by Richard R. Jackson, 34, East St. Louis, and Alexander Estelle Lillio, 19, Cahokia, collided.

Jackson suffered head and neck injuries, the driver of the Lillio car suffered lacerations about the mouth, and Floyd Allen, three, Cahokia, a passenger in the Lillio car, suffered head and neck injuries.

Motorcyclist Hurt

John W. Adams Jr., 20, of 633 Barkley street, Mitchell, suffered minor injuries when he fell off his motorcycle in preventing a collision with an auto driven by Jack E. Fricker, 3156 Myrtle avenue, was leaving a lot.

A bicycle operated by Michael Kramer, seven, of 2914 Sunset drive struck the right rear fender of an auto driven by Emory A. Wilson, 2755 Sunset, at 12:20 p.m. Tuesday in front of the Kramer home.

The boy said his brakes failed to work as he was leaving a driveway and he could not avoid hitting the car. He was taken to St. Elizabeth Hospital for examination.

Passenger Injured

Mrs. Mary Connor, 28, of 2016 Harding Blvd., complained of pains after an auto in which she was riding, a collision with her husband, Charles, struck the left side of a car driven by Joyce A. Weaver, Greentree, Tenn., at 8:20 p.m. Tuesday at Grand avenue.

The Weaver car was driving the wrong way on a one-way street and failed to yield the right-of-way at the intersection, it was alleged.

Janice D. Burroughs, 25, of St. Louis, was treated at St. Elizabeth Hospital at 4:30 a.m. today for lacerations to her lips and right cheek and abrasions to both knees following an accident on a McKinley bridge in Venice. Police said her car, headed west on the bridge, crashed into a divider just west of the toll gate shortly after 4 a.m. She was taken by ambulance to the hospital and later transferred to St. Mary's Hospital, Clayton.

The home of Rev. John M. DiGirolamo, 133 Big Four place, Mitchell, was burglarized while he and his wife were on vacation since Aug. 4, he reported to the Madison county sheriff's office at 7:35 p.m. Wednesday. Entry was gained by pushing the basement door open.

The loot included a portable sewing machine valued at \$35, a toaster valued at \$15, an alarm clock valued at \$32, a quart of oil, a radio, a clock and a small amount of cash. The tracks were found outside the fence where the articles may have been loaded onto a truck.

Thefts From Cars Are Among 11 Quad-City Crimes

Thefts from autos, including a large quantity of uniforms belonging to an Army general, were included in a crime report from the Quad-City area since Monday.

Brig. Gen. Donald H. McGovern, Continental Army Command Headquarters, Fort Monroe, Va., reported at 10:25 a.m. Wednesday that clothing was stolen from his auto while it was parked during the night at the rear of the Travelodge motel.

The loot included a dress uniform with stars and ribbons, a white suit, a dark blue suit of trousers, two pairs of green trousers, two khaki uniforms with combat infantry badges sewn on and with stars on the collar points, an olive drab hanging clothes bag with "Vietnam" written on it, a red and black leather clothes bag and a plastic clothes bag.

All of the suits had the owner's name and the name Song Wee, tailor, inside the jackets.

Clothing Stolen

Two men's suits and four women's suits were stolen from the 1968 auto of Robert B. Burkhart, Nashville, Ind., while it was parked in the night at the rear of the Travelodge motel, he reported at 8:20 a.m. Tuesday.

Gerald Rock, 2115 Lee avenue, reported at 11:35 p.m. Monday that a lady's black purse containing \$2 and papers, six keys on a chain and a gold-colored alarm clock was stolen from his 1967 auto while it was parked at his home.

Burglars broke into the apartment of John Crimmins, 1422 Sixth street, Madison, last night and stole a table model radio, several personal checks and milk from the refrigerator. Crimmins discovered the theft shortly after midnight. Entry was made through an unlocked door.

Color TV Set Stolen

Theft of a portable color television set from the floor of Friedman's store, Fifth street and Madison avenue, was reported to Madison police at 3 p.m. Tuesday. The theft occurred between 11:30 a.m. and 3 p.m., apparently by someone who picked up the set and walked out with it.

The home of Rev. John M. DiGirolamo, 133 Big Four place, Mitchell, was burglarized while he and his wife were on vacation since Aug. 4, he reported to the Madison county sheriff's office at 7:35 p.m. Wednesday. Entry was gained by pushing the basement door open.

The loot included a portable sewing machine valued at \$35, a toaster valued at \$15, an alarm clock valued at \$32, a quart of oil, a radio, a clock and a small amount of cash. The tracks were found outside the fence where the articles may have been loaded onto a truck.

876-6414

Robertson family attended a reunion Sunday at the home of Mr. and Mrs. Don Knuckles (Beulah Robertson) on Carpenter road, Edwardsville.

A picnic-style dinner was served and games were played during the day.

The large group attending included Mr. and Mrs. Russell Highfield of Pontoon Beach, Mr. and Mrs. Richard Duncan of Granite City, Mr. and Mrs. Chester Peach and children, Clarence and Sandy, and Mr. and Mrs. Richard Peach and daughter, Lorraine, all of Madison, and, from Venice, Mrs. Delpha Peach, Terry Peach, Larry Scagg, Mrs. Ethel Schreel, Mr. and Mrs. Edward Robertson, Mrs. Shirley Harshaw, Gary Robertson and daughter, Sherry, Mr. and Mrs. William G. Smith and daughter, Phyllis, Mr. and Mrs. Earl Robertson and son, John, Miss Diane Blanton and Mr. and Mrs. Phillip Smith.

"All the world's a stage—and most people insist on having speaking parts."

South Venice

MRS. CHARLOTTE BILBREY
515 Fillmore Avenue
877-6348

The American Legion and Auxiliary of Venice-Madison Post 307 attended installation of officers at American Legion Post 961 in Fairmont City Sunday evening.

Those attending from Post 307 were Len Whiteside, installing sergeant-at-arms, Mesdames Beulah Sizemore, Estelle Bone, Helen Brown and Ina Campbell, Mr. and Mrs. Charles Austria and Mr. and Mrs. Leroy Perry.

EIGHT AND FORTY
INSTALLS HERE

Eight and Forty Salon 53 held an installation of officers Tuesday evening at the Venice-Madison American Legion Post 307 hall, 740 Broadway.

Officers elected were: chairman, Mrs. Mary Ballentine; in the past secretary, Mrs. Fannie Ulrich; la cassiere, Mrs. Marie Leffler; le demi petit chef, Mrs. Leona

Best: le demi-petit chapeau deusienne, Mrs. Joyce Austin; l'aumonier, Mrs. Violet Neunabor; l'archiviste, Mrs. Opal Holman; and la concierge, Mrs. Norma Hillmer.

At pot luck luncheon was served to 20 members.

LUNCHEON HONORS

MRS. ULFFERS

A luncheon honoring Mrs. Laura Ulffers was held Sunday in the home of Mrs. Claribel Rehms, 614 Lincoln avenue.

Mrs. Ulffers retired recently from teaching in the Venice school system.

Acting as hostesses for the occasion were Mrs. Helen Purkay, Mrs. Helen Rehms and Mrs. Claribel Rehms.

Centerpieces of yellow mums, daisies, a variety of colored roses and silver candelabra adorned the tables, covered with hand-made lace tablecloths.

A three-course luncheon was served to Mrs. Ulffers, guest of honor, Mrs. Mary Ann Symons, daughter of the honoree, and Mesdames Norma Schroecker, Gwen Dake, Dorothy Lydger, Betty Haug, Sharon Gregg,

Barbara Williams, Earle McCurtis, Annette Ohlendorf, Florence Duter, Ruth McDonald, Erma Blatter, Elaine Stone, Ruth Rank, Naomi Davis, Jessie Lou Tackaberry, Jessie O'Day and Diana Rehms.

ATTEND REUNION

Mr. and Mrs. John Schodroski and children, 618 Lincoln avenue, motored to Springfield, Mo., where they attended a family reunion and celebrated the 22nd birthday of Mrs. Schodroski's grandnephew, Henry Buehler, returning here this week about 125 persons attended.

RETURNS FROM EAST

Mrs. Mary Sugg, 503 Fillmore street, returned home Sunday after spending three weeks visiting her son, Robert Sugg, and his family of Riverside, R.I.

During her vacation, Mrs. Sugg also spent one week at Pictou Landing, Nova Scotia, and visited Plymouth Rock and Hyannisport, Mass.

SCHOOL Opening

youngsters requiring bus service in congested traffic patterns along Nameoki, Pontoon and Johnson roads.

12 Grigsby Bus Routes

Twelve buses will transport more than 750 junior high school pupils in Grigsby school district along all 113 students who reside east of the railroad tracks in Mitchell. Those living west of the railroad tracks will still attend Prather junior high school.

The group of youngsters, whose homes lie north of the Alton road and the extreme western end of West Pontoon road, will be transported to Coolidge junior high school. A listing of bus routes, first pick-up times and locations for Grigsby junior high school pupils appears elsewhere in this issue.

All bus schedules and routes for the remaining Granite City schools are the same as last year.

City pupils will be conducted Tuesday, with high school students attending from 8 a.m. to 2:30 p.m. Coolidge junior high school—8 a.m. to 12:30 p.m.; and Prather, Grigsby and Central students—5:30 a.m. to 12:30 p.m.

Except for Lake elementary school, which will hold a half-day session Tuesday from 9 a.m. to 12:15 p.m., all other Granite City grade schools will hold classes from 8:45 a.m. to 3:15 p.m.

Tuesday, with dismissal at noon. Buses will operate along regular routes for the half-day session.

Starting, Ending Times

Normal school hours will commence with the first full-day session on Wednesday, Aug. 28. Classes at Granite City high school will begin at 8 a.m. and conclude at 3:30 p.m. Junior high school hours will be from 8:30 a.m. to 3:30 p.m. at Central; 8 a.m. to 3:15 p.m. at Grigsby; and 8:45 a.m. to 3:45 p.m. at Grigsby and Prather schools.

All elementary pupils will attend school from 8:45 a.m. to 3 p.m., starting Wednesday, with the exception of Lake school where students will arrive at 9 a.m. and be dismissed at 3:15 p.m. each day.

Cafeteria will operate on a full schedule at all Granite City schools on Wednesday.

Continuing today, Granite City administrative staff and principals are participating in a series of informative meetings at the board of education offices, 204 State street.

Breakfast for New Teachers

Tomorrow, approximately 87 new faculty members will attend a "welcome breakfast" in the senior high school cafeteria, beginning at 8:30 a.m. A fall workshop for all Granite City teachers is planned for Monday at the senior high school, starting at 9 a.m.

Scheduled to take place tomorrow is registration of new kindergarten and elementary pupils who have not previously attended or registered at local schools.

Eligible youngsters may be registered at the grade school nearest the child's home. St. Margaret Mary school of Granite City will initiate parochial school attendance for Catholic students estimated 1720 Catholic students in the Quad-Cities with half-day classes starting Monday and a full-day schedule beginning Tuesday. Cafeteria facilities will open Tuesday, Sept. 3, the first day of school.

All will hold half-day sessions on the first day, with several expecting to continue on a morning basis beginning Monday, Sept. 9, when full-time classes will commence.

495 at St. Elizabeth

St. Elizabeth school, with the largest parochial school enrollment, estimated at 495 students, will hold half-day sessions Tuesday, Sept. 3 through Friday, Sept. 6, and begin full-time studies Monday, Sept. 9, from 8 a.m. to 3:30 p.m. Cafeteria services also will commence Sept. 9.

St. Mary's school of Madison will hold classes from 8:45 a.m. until noon Tuesday, Sept. 3, through Friday, Sept. 6, starting at 8:45 a.m. to 3 p.m. full-day schedule on Sept. 9. A school official noted that, depending on outdoor temperatures, the half-day sessions may possibly be extended past the Sept. 8 date.

St. Joseph's of Granite City has scheduled a half-day session on Tuesday, Sept. 3, with students to attend classes from 8:45 a.m. to 3:15 p.m. beginning Wednesday, Sept. 4.

An estimated 95 pupils at St. Mark's school of Venice will attend a full day of classes Tuesday, Sept. 3, and continue on a daily 8:30 a.m. to 3 p.m. schedule.

Class schedules and times at Sacred Heart parochial school have not yet been determined.

Tri-City Park

Bill to Hike Bond Interest Limit Signed by Governor

Approval by Gov. Samuel H. Shapiro of a legislative measure increasing from 5% to 6% the maximum interest rate that may be paid by higher education institutions in revenue bond sales will clear the way for planning additional facilities at Southern Illinois University's Southwestern campus.

The governor's action amends the State College and Universities Revenue Bond Act of 1967.

Many building projects throughout the state were brought to a standstill as the result of a higher bond market in which bond sales were almost impossible under the old 5% interest limitation.

Interest rates on SIU projects have been running from 5.4% to 5.5%, Robert Gallagher, SIU treasurer, reported. He said SIU now can proceed with planning future building projects.

The governor's action does not affect the Illinois Building Authority, which also sells bonds to support higher education building projects. The building authority also has been experiencing trouble selling bonds at 5% or less.

Gov. Shapiro vetoed a bill that would have raised salaries of Illinois legislators from \$9,000 to \$12,000. The governor said the bill was inappropriate at a time when the state is borrowing money and "undergoing austerity to preclude a financial crisis."

He also vetoed a bill that would raise the salaries of associate circuit judges to the same as that paid circuit judges. Circuit judges now receive \$25,000 a year, part of which is shared by the county.

The governor signed into law, however, a bill which permits a county to raise the salary of the state's attorney to a maximum of \$10,000 in small counties or \$17,800 in larger counties.

The salaries would have to be authorized by county boards and, where changes are made,

would become effective at the beginning of the next term of office, which will be in December this year.

Among other bills signed into law was one setting penalties for the crime of gambling varying in proportion to the seriousness of the offense.

Another permits persons to bring suit against a municipality in the event of mob action, and another defines the use of a deadly weapon as an aggravated assault or battery, rather than just assault or battery.

Trailriders Club to Sponsor Horse Show

The Trailriders Saddle club conducted a monthly meeting Tuesday evening at the Granite City park district community center, with the newly-elected president, Dave Morgan, presiding. Louis Hatley, retiring president, resigned because he and his family are moving out-of-town.

Main discussion was on a horse show planned for October and to be held in the club's ring. Any owners, horse or members of other saddle clubs are invited to enter the show. A special work party and a melon feast will take place Sept. 7-8 at the club ring to prepare the area for the show.

The members were invited to attend an overnight trail ride at Hardin, Ill., Aug. 31 and Sept. 1.

Next monthly meeting will be Sept. 17 at the community center.

Col. Hoskin Speaker

Col. Charles E. Hoskins III, Army Depot commander here, discussed the federal role in encouraging economic development and finding jobs during the meeting of the East St. Louis Kiwanis club this afternoon at the Illinois Club.

CHILD CARE CENTER

personnel shown with Rev. Kenneth V. Reeves, pastor of the sponsoring church, the First United Pentecostal Church, 2450 Pontoon road. Left to right are Doris Aphorpe and Carol Wilson, teachers, Rev. and Mrs. Reeves and Mary Wallace, director. Below, the director explains the facilities to an open house visitor, Leon Hudson.

Cloviewview Child Care Center Is Established

The Cloviewview Child Care Center, 2450 Pontoon road, sponsored by the First United Pentecostal Church, held an open house this week for inspection of the new facilities and then began regular operation.

Organized for the care of children of working mothers, the center opened Monday with Mary Wallace serving as director. She recently served as director of a similar center in Nashville, Tenn., with an enrollment of 150 children and a large waiting list. With 15 years of experience, she will supervise and direct the care of children two to five years of age.

Doris Aphorpe and Carol Wilson will assist the director as teachers for the new center. Rev. Kenneth V. Reeves is pastor of the church.

MORE ABOUT New Street

at a cost of more than \$1 million.

A 20-year lease agreement, with another 20-year option, has been arranged, with the city expecting to receive income of about 10% a year on its investment.

Re-Open McCambridge Mayor Maeras also reported that McCambridge avenue should be re-opened at Sixth street by tomorrow with the completion of installation of a 36-inch concrete storm sewer under the pavement.

Traffic along the heavily traveled artery has been detoured for part of this month. Letters were read from the Ben Franklin store commending city officials for eliminating a stormwater problem in the 1400 block of Third street and from Mr. and Mrs. Harry Johnson, 1538 Third street, applauding the city for a new curb in front of the city hall and for efforts to keep the sidewalk there swept of gravel and other debris.

McCarthy, Humphrey Support at Convention

The score as area delegates prepare to depart for the Democratic national convention Aug. 28-29 in Chicago shows Dick H. Mudge Jr., former Madison county state's attorney, pledged to support Sen. Eugene McCarthy for president and St. Clair Sheriff Maurice Joseph backing Vice President Hubert Humphrey.

Commitments have not yet been announced by Walter "Buck" Simmons, Madison county Democratic chairman; Monroe L. Flinn of Centerville township, who was selected along with Mudge; and East St. Louis Mayor Alvin T. Fields, who will be replaced as a delegate because he is hospitalized for knee surgery.

MORE ABOUT Teachers

for the new school year ranges from \$703 per month for a first year teacher with a bachelor's degree to a top of \$1178 per month after nine years.

The Madison board of administrators had no comment on this week's action by the teachers pending talks with the school attorney.

The board previously denied that it had sufficient funds to cover the union's demands and said that deficit financing would be required to meet them.

With other fringe benefits sought, including class sizes not to exceed 25 students, the board claimed the cost would exceed \$1 million.

The district's tentative budget, up for final adoption at 7:30 p.m. today, is \$166,678 higher than the previous budget and includes increases of \$71,500 for salaries for 113 teachers in the system.

The teachers' local has called a meeting for 8 a.m. Monday at the Labor Temple.

MORE ABOUT City Plan

may not take enough initiative." Annexation is important to the city's development in terms of population growth, an increased tax base and acquisition of land for development in all phases, it is pointed out.

Annexing Since 1958 The plan sets out that Granite City has been annexing areas to the east of Wabash avenue since 1958, and from 1958 to January 1968 adopted 51 ordinances of annexation involving an area of 699.57 acres. Size of the parcels annexed ranged from .14 of an acre as a residential lot in Bellemore Place to the 117-acre McFarland tract.

The greatest single amount of territory annexed was in 1965, the plan report states, when 148 acres were annexed by the city.

As a result, the report notes, "the pattern of annexation since 1958 has been a piecemeal growth of the city."

Besides allowing the city room for expansion, the study continues, "the annexed area east of Wabash also has been subject to intensive residential development on a subdivision scale—Cloverview, Dream Villa, Holiday Gardens, Pontoon Plaza and others."

Blocked by Village It is anticipated that annexation to the east of the present city limits will continue, it said, noting: "However, a long-term continuation of annexation in

this direction is blocked by the village of Pontoon Beach."

The study comments that "presently only 13% of the city is undeveloped, and shortly the community will have to make an important decision concerning its annexation policy. If the city is to experience a significant population growth and increase its land area, it must reverse its present annexation policy."

An example of the effect of growth was cited in the report in a reference to the 1950 annexation of Nameoki, which added 400 people to the city.

"The increase due to the annexation of Nameoki," the report states, "accounted for approximately one-third of the total population increase between 1950 and 1960. The importance of annexation in stimulating population growth should not be underestimated."

A positive approach to annexation is suggested in the report, which optimistically suggests the possibility of eventually extending city limits to the north as far as Interstate Route 270 and to the southeast along Highway 162 and as far east as the corporate limits of Pontoon Beach.

In this respect, the plan report says:

"Future areas of annexation left open to the city are limited mainly to the north, east and the southeast. Annexation to the east may soon be restricted by the village of Pontoon Beach; however, the city could fill in between its corporate limit and Pontoon Beach's corporate limit."

Granite City PRESS-RECORD

Thurs., Aug. 22, 1968 Page 9

"Expansion of the city to the north is less limited and it is foreseeable that the city could annex to the north to Interstate 270."

"Annexation to the southeast is also limited but could be carried along Highway 162 and the Granite City - Collinsville road."

Urges Vigorous Policy "The expansion of the city is both possible and probable, but Granite City should decide and direct effort to the direction it wishes to grow, adopt a vigorous annexation policy and encourage expansion in the direction with the extension of utilities, streets and other public facilities."

Thaddeus Mikessell, director of SIMAPC, which made the study, pointed out to officials of public agencies responsible for carrying out the plan that as drafted it is intended to guide development of Granite City until 1980. But, he added, the plan is designed so that it may be revised to fit changing times and methods, and will be kept updated.

The plan was made possible with local funds contributed by the city, Granite City Housing Authority, Granite City school district, and by federal grants from the Urban Renewal Administration and the Housing and Home Finance Agency.

Page Discusses School Staff, Payroll Status

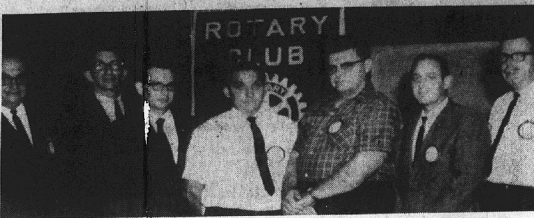

Belleville grade schools and the East St. Louis district as well as Madison schools face teacher strikes next week. Addressing himself to the East St. Louis school board and teacher union Tuesday, State Supt. Ray Page said, "You are requested to continue every effort at negotiation . . . to arrive at a satisfactory contract agreement."

He recommended that schools not be opened by the board if "a full complement of teachers is not present and available on the first day of the school term." He also proposed that "payroll be suspended pending the opening of the schools, inasmuch as the board may not legally pay employees for not working."

Page said state aid would be halted if school is opened with less than a full staff of teachers for all schools or if the opening is "delayed unreasonably to the extent that the legally required days of pupil attendance cannot be met prior to June 30, 1969."

If either situation occurs, the East St. Louis district "will be placed on non-recognition status and therefore will be ineligible to file a state aid claim for the school year, 1968-69," the telegram concluded.

TRAVELING BY AIR? CALL
HOLIDAY SERVICE, 452-1131

FIVE NEW ROTARIANS installed by the Granite City club. Left to right are the installing officer, George T. Wilkins sr., past district Rotary governor; Glen Thornburg, Charles Anderson, Walter Milton, Roger Wildman and Harold E. Briggs, new members; and Club President Warren Decatur.

GC Rotarians Install Five as Club Members

Five new members of the Granite City Rotary club were formally installed as members by George T. Wilkins sr., past district governor, during a weekly luncheon Tuesday.

Wilkins introduced each individually and gave brief summaries of their vocations, schooling and families. They were Harold G. Briggs, assistant Madison county superintendent of schools and former Mitchell school principal; Glen Thornburg, district manager of East St. Louis & Interurban Water Co., who recently moved here from Washington, Pa., and Belair, Md.; Charles Anderson, a former Internal Revenue agent from Springfield and Belleville, now an accountant in

Granite City; Walter Milton, sales manager for the Pepsi-Cola Co. in this area; and Roger Wildman, manager of the Aetna Trucking Co., who formerly made his home in Ohio.

Wilkins challenged them to "participate," the one-word slogan for this year. By fully participating, they can best enjoy the fellowship of Rotary, it was stressed.

Warren Decatur, president, led a discussion of the Modern Living Show which the club is to sponsor Sept. 19-22 at the ice pavilion of Wilson Park. A guest was William Hoedbeck, a former resident and a past president of the club who now makes his home in Florida. He formerly was manager of the Metropolitan Life Insurance Co. in Granite City.

Parked Car Damaged

The parked car of Ralph T. Ebersole, 224 Granville street, Venice, was damaged in the left rear and a backing car driven by Emil Ulanek, 1614 Second street, Madison, was damaged in the rear in an accident at Madison avenue and 12th street at 10:45 a.m. yesterday.

SIU Student to Return

A suit by one of the SIU-Carbondale students barred due to a disorder on the campus this spring was settled out-of-court, it was announced Tuesday. The student, who was an undergraduate, agreed to accept probationary conditions for readmission.

Mounting Public Aid Load to Put Illinois in Red

Increasing relief loads are expected to run the Illinois Public Aid fund into the red by \$89 million by this time next year, Public Aid Director Harold Swank said at Springfield this week.

He said his department is hopeful of obtaining a deficiency appropriation in the next session of the Illinois legislature by next March or April. Swank met Monday with the Public Aid Advisory Committee headed by Sen. William Carroll (R, Park Ridge).

Recent court rulings, eliminating Illinois' one-year occupancy requirement before becoming eligible for public aid, are expected to substantially increase public aid rolls. The courts held that the requirement that a person live one year in the state before receiving aid is unconstitutional.

Aid Rolls Grow

Swank said the department is finding an increase in the number of persons coming into Illinois from surrounding states where aid payments are not as large as those paid by Illinois.

The Senate committee voted during the meeting Monday to continue its program of paying for school examinations and immunization of students whose parents are receiving public aid. The pilot project was begun about a year ago and appears to be successful, Swank said.

He reported that examinations have revealed many cases in which further treatment is needed.

The committee also discussed new directives issued by the U. S. Department of Health, Education and Welfare.

Witnesses Refuse to Testify in Crime Trial

Witnesses refusing to testify knocked a jury trial for three Venice defendants off the criminal trial setting in the Madison county circuit court at Edwardsville Tuesday.

The defendants, Ulas "King Tut" Davis, 28, Rennie Pastorizza, 23, and Henry Pickett, 25, were charged with the \$450 robbery of Willie F. Mason of Venice on July 29, 1967. Mason was robbed by three men on Weaver street in Venice. Mason signed a statement refusing to testify, another witness also declined to testify, and the state's attorney's office asked that the case be removed from the docket with leave to reinstate. It was granted by Chief Circuit Judge Harold R. Clark.

Davis and Pastorizza also had been arrested in April 1967 on a charge of armed robbery of a Vandallia salesman on Kerr Island. Davis in the past has been charged with armed robbery, manslaughter, theft and larceny. He was sentenced to 159 to 30 days in jail and fined \$25 on a theft charge.

Four Hubcaps Stolen

James Hudson, 1419 Third street, Madison, reported at 7:45 a.m. Wednesday that four wire-wheel hubcaps were stolen from his 1968 auto while it was parked at 19th street and the railroad tracks after 11 p.m. Tuesday.

ASSISTANT TO PRESIDENT of Granite City Steel Co. Robert W. Smith, with the firm 16 years, was promoted to that position this week. He is married, has two children and lives at 12441 Creekhaven drive, St. Louis county. Originally a salesman in the company's Minneapolis district sales office, he became product manager here in 1964. He will have charge of liaison with the Granco Steel Products Co. subsidiary.

Madison Police Arrest Four on Speed Charges

Four persons were arrested by Madison police yesterday and early today on charges of speeding on Madison avenue. The arrests were made with radar equipment.

Those ticketed were James E. Doolin, 3718 Pontoon road, 12:45 a.m. today; Barbara J. Delumas, St. Louis, 6:05 p.m. Wednesday; Jimmy C. Stout, 1520 Sixth street, Madison, 12:30 a.m. Wednesday; and Larry LeFlora, Lovejoy, 12:30 a.m. Wednesday.

All posted driver's licenses or cash bail pending hearings in magistrate court.

Collide in Madison

Two cars were damaged at Edwardsville road and McCambridge avenue, Madison at 8:50 p.m. Tuesday. An auto driven by Marion V. DeHart, 1854 Edwardsville road, collided with one driven by Gay L. Allen, 4728 Lake drive. DeHart's car was damaged in the front end and the Allen car in the right front. DeHart was headed south and the other vehicle north.

Lum's Restaurant Opens

The Lum's restaurant in the American Village shopping center on Nameoki road north of Fehling road opened for business yesterday, featuring a variety of sandwiches. Grand opening plans have not been announced.

Youths Who Threatened Boy Sought by Police

Madison police are searching for five white youths who late Tuesday night stopped a car driven by Roland Cagle, 18, of 1242 Robin street, Venice, covered him with a pistol and rifle and said they were going to shoot him.

The incident occurred at Alton avenue and Market street after members of the group in the car had thrown beer bottles at Cagle's car in Venice and in Madison.

Police said they received a report from Gary Wallen, 56 Venice Homes, that he and two companions who were riding in his car also had encountered the car of five youths in Venice and that the occupants had thrown beer bottles at his car about 11 p.m.

Cagle said he was stopped by an occupant of the car who got out of the auto with a beer bottle in his hand and stopped Cagle's car. Two other occupants got out of the other car, one armed with a rifle and one with a pistol. They told Cagle they were going to shoot him, he related.

Cagle told police one of the youths in the car then said, "Let's get going before that other car (apparently Wallen) gets the cops." Police have descriptions of most of the youths, who were said to be from 17 to 20 years old. Their car bore Missouri license plates.

Orientation Friday At GCCHS, Coolidge

Special Orientation sessions for Granite City high school sophomores and Coolidge junior high seventh grade students and other new Coolidge pupils are slated for 9:30 a.m. tomorrow at their respective school buildings.

School bus service to both schools along established routes will be available starting at 8:30 a.m. Friday. Both special programs will conclude at 11 a.m.

Speeding Charge

Robert R. Russell of Bend road was charged with speeding at 10:35 p.m. Tuesday at East 20th street and Park avenue.

Monthly Health Reports to Public Will Begin Sept. 12

As a community service in the health field, the public is being invited to attend a series of programs to be given by St. Elizabeth Hospital.

The sessions will be held monthly at the hospital in the classroom of the Tri-Cor building, 21st street and Madison avenue, beginning Thursday, Sept. 12, at 7:30 p.m.

The series includes films on heart disease, cancer and communicable disease. A physician also will be present as guest speaker for the evening.

Films to be shown and topics to be discussed will include the following: Sept. 12, "After The Heart Attack," relating the story of a patient whose heart has been weakened by a heart attack. From the moment of attack through hospital experience, convalescence and rehabilitation, the audience follows the experience of a middle-aged businessman.

Oct. 10, "Help for Young Hearts," the case history of a teenage girl with rheumatic heart disease preparing for a job suitable to her abilities. The story emphasizes the importance of preventing recurring attacks of rheumatic fever.

Heart Function, Damage Nov. 14, "Common Heart Disorders and Their Causes," comparing the operation of a healthy heart and a diseased heart, showing the function of arteries, ventricles and valves, and describing the damage caused by rheumatic fever, hypertension and arteriosclerosis. Included is the prognosis for people with heart disease.

Dec. 11, "The Other City," Seventy-five thousand persons, equivalent to the total population of Racine, Wis., die needlessly of cancer each year. This

Open Registration Dates Set at SIU-SW

Southern Illinois University-Southwestern has announced open registration dates at its Alton and East St. Louis centers and the main campus. Persons wishing to register for courses in the fall quarter can do so, without appointment, on the dates and times listed below, according to Registrar Robert Bruker.

Prospective and current students may register at any of the three sites for any courses offered by the university.

Students who plan to sign up for a course which requires consent of the instructor must have the written authorization of the faculty member at the time of registration.

Main Campus — Enrollment Office, Room 1802, Peck Classroom Building, Sept. 9-14. Monday through Friday, 8 a.m. to 11 a.m. and 1 p.m. to 5 p.m. On Saturday, Sept. 14, hours are 8 a.m. to noon.

Two other times have been established for open registration at the main campus. They are: Sept. 16-18, 8 a.m. to 11 a.m., and Sept. 24, 8 a.m. to 6:30 p.m.

Alton — Student Union, Aug. 22-23, 8 a.m. to noon and 1 p.m. to 6:30 p.m.; Sept. 19, 8 a.m. to 6:30 p.m.

East St. Louis — Room 103, Sept. 26, 8 a.m. to noon and 1 p.m. to 6:30 p.m.; Sept. 28, 8 a.m. to 6:30 p.m.

Evening classes at all locations begin Sept. 24. Day classes will start the following day, Sept. 25.

Enrollment expectations for the three centers is 9250 for the fall quarter.

Travel Trailer Club Organized in County

A new chapter of the Coachmen Caravan, a travel trailer club has been formed and will be known as the Southwestern Illinois Coachmen Road Runners.

Organizer and president is Melvin Otto of Granite City. Other officers are Delmont Scott of Collinsville, vice-president, and Mrs. Melvin Otto, secretary-treasurer.

Charter members are Mr. and Mrs. Don Davidson, Mr. and Mrs. Bill Hale and Mr. and Mrs. Scott, all of Collinsville, and Mr. and Mrs. Edward T. McKenna, Mr. and Mrs. Ed Werner, Mr. and Mrs. John Thompson and Mr. and Mrs. Alvin Simpson, all of Granite City.

The next rendezvous will be held at the Raimaker Campground, Litchfield, on the Labor Day weekend, with a pot luck supper planned for that men owners interested in joining the group are to contact Mr. Melvin Otto, 1809 Cleveland blvd., 616-876-6311.

Shower Honors Miss Etzkorn

Miss Leilana Etzkorn of Edwardsville, who will be married Sept. 7 to Terry Van of Granite City, was honor guest at a bridal shower given this week by Miss Helen Hall, who is to be a member of the wedding party.

Out-of-town guests present were Mrs. Clon Etzkorn, Mrs. Jon E. Davis and Mrs. Robert Wagner, all of Edwardsville, and Mrs. James Werner of Wood River.

Others present were Mrs. Mildred McFain, Mrs. Alvin Michel, Mrs. Gilbert Hall and Mrs. Louis Van, all of Granite City, and the hostess and the bride-to-be.

The wedding of Miss Etzkorn and Mr. Van will take place in the chapel of St. John's United Methodist Church in Edwardsville.

SOCIAL MEETING OF NEWCOMERS CLUB

The Newcomers club held a social meeting Monday evening at Bert's Chuck Wagon on Johnson road, with 14 members and four guests attending.

Mrs. Jean Andrews, president, announced final plans for the silver tea to be held in her home Saturday from 2:30 to 4 p.m. Those on the committee are Mrs. Betty Schuster, Mrs. Lorene Walker and Mrs. Cheryl Selting.

Games were enjoyed during the evening and prizes went to Mrs. Janet Curtis, Mrs. Linda Elliot, Mrs. Teresa Jablonski and Mrs. Bunny Stark.

The next meeting will be held Sept. 16 at Bert's.

KROHNE-KOENEMAN RITES
Announcement is being made here of the wedding Aug. 3 at Grace Lutheran Church, West-ern Springs, Ill., of Miss Lois Diane Koeneman to Gerhard Charles Krohne, son of Mr. and Mrs. Harold E. Krohne sr., Ed-wardsville, former local resi-dents. Many relatives and friends traveled from this area to attend the wedding and a dinner reception at the Acadia Country club in LaGrange.

West Granite

PROGRESSIVE CLASS
MEETS IN NAYLOR HOME
The Progressive class of Second Baptist Church met Monday evening in the home of Mrs. Tilla Naylor. The meeting opened with prayer and the members singing the class song.

Devotions were presented by Mrs. Goldie Smith and roll call was answered with Bible verses. Reports were given by class officers, followed by a discussion on plans for the next meeting.

A birthday dinner will be held with the meeting next month in the home of Mrs. Mae Williams, 3633 Washington avenue.

Prayer closed the meeting and refreshments were served by the hostess.

Those attending were Mes-dames Iva Biggs, Winnie Tucker, Edith Wilson, Naomi Burnett, Georgia Mitchell, Miss Duggans, Rachel West-phal, Lena Boninvar, Louise Daniels, Maude Beattie and a guest, Mrs. LaVerne Sharp.

MRS. MICHAEL RICHARD VINCENT, the former Miss Linda Jean Blumenstock, a daughter of Mr. and Mrs. Orl M. Blumenstock, 1687 Market street, Madison, whose wedding took place Aug. 17 at the United Methodist Church in Madison. The groom is the son of Mr. and Mrs. C. R. Vincent of Collinsville.

SOCIETY

ENGAGED. Miss Sherry Talley, whose parents, Mr. and Mrs. Darold Talley, 3212 Aubrey avenue, are announcing her betrothal to James Hentzel, a son of Mr. and Mrs. Merle Hentzel, 3245 Fehling road. The wedding date has not been set.

WHITTLE BY WHITTLE
ENROLLS NEW MEMBER
A weekly meeting of the Tops Whittle by Whittle club was conducted Monday evening at the American Legion hall by Mrs. Peggy Hackney, leader. A new member, Mrs. Mary Ann DeHart, was welcomed by the group. Mrs. Doris Edwards was named queen of the week and Mrs. Hackney won the evening's prize.

Mrs. Hackney announced that an election for treasurer and co-leader will be conducted at the next meeting Aug. 26.

Others present were Mes-dames Mary Jo Akeman, Billie Bagl, Nancy Bernaix, Rose Brombauer, Frances Coleman, Jo Gilson, Edith Harris, Gladys Hutson, Shirley Jensen, Jacquelyn King, Marie Oglesby, Sandra Ray, Maggie Rife, Betty Roberson, Norma Rul, El-veria Sharp, Shirley Sodelowski, Vernie Von Nida, Judy Webb and Jo Ann Romine. Miss Beverly Provance and Miss Mary Wetzel.

CELEBRATES 13TH BIRTHDAY AT PARTY

A party for Gail Penrod, who was observing her 13th birth-day, was given Monday eve-ning by her sisters, Mrs. Elaine Unger and Mrs. Shirley Good-all.

Games were played and re-freshments were served by Val Miskelly, Charles Runfelt, Don-no and Debbie Calvert, Linda and Dan Boone, Terri Jackson, Kathy Goodall, Le and John Martin, Earl Penrod, Joyce Martin and Mrs. Opal Penrod, mother of the hon-or guest, Mrs. LaVerne Sharp.

Sherry Talley Is Betrothed

Mr. and Mrs. Darold Talley, 3212 Aubrey avenue, are an-nouncing the engagement of their daughter, Miss Sherry Talley, to James Hentzel, whose parents are Mr. and Mrs. Merle Hentzel, 3245 Fehling road.

The bride-to-be will be a sophomore this fall at Illinois State University in Normal. She graduated from Granite City high school, where she was active in school activities and was a cheerleader.

Mr. Hentzel is attending James Millikin University in Decatur. He, too, is a sopho-more and is a member of the basketball team. He is attend-ing school on a scholarship. Plans for their wedding are indefinite.

HOME FROM VACATION

Mrs. Christine Barron, 2143 Delmar avenue, returned home this week following a vacation with her son-in-law and daugh-ter, Mr. and Mrs. Sam Kessler and family, in East Williston, Long Island, N. Y. While visit-ing in the east, Mrs. Barron also spent two weeks in New Hampshire.

COUSINS IN ARMY MEET

Cpl. William E. Monse, son of Mrs. Helen Cochran, 141 Troecker lane, who is serving in the Marines guarding an area of the China Seas, and his cousin, Spec-5 Michael Barnhart, whose wife, Elaine, and parents, Mr. and Mrs. Robert Barnhart, reside in Granite City, met and visited together overseas.

They had been hoping they would get to see each other since arriving there.

Spec. Barnhart is expected to be home in about 30 days while his cousin, Cpl. Monse, has almost another year to serve before returning to the U. S.

Residents of Region Now in Czechoslovakia

The invasion by Soviet troops of Czechoslovakia Tuesday night may have an effect on citizens of this region.

Stanley Kimball, a professor in the Social Science Division at Southern Illinois University's Southwestern campus, has been on an East European trip since the first of this month and is conducting research and search-ing for books for the SIU-SW library. He also presented a paper at the International Con-gress of Slavists in Prague. He was scheduled to return here within the new few days.

Mrs. Marie Koertel, 1643 Del-mar avenue, received a letter from a nephew, Fred Daniel, aving he had arrived in Czech-oslavakia in mid-August and would remain there for three weeks. He and a friend, Jack Leper, were visiting with the latter's family in Prague and touring the points of interest.

SOCIETY

Splash Party of Phi Tau Omega

The Eta Chapter of Phi Tau Omega society held a "splash and swim" party at the Paddlers pool Tuesday evening. Prizes were won by Mrs. Valeria Baader, Miss Mary Haasler, Miss Eunice Hatcher, Mrs. Charlene Sparks, Mrs. Georgina Waggoner and Mrs. Gladys Waggoner. Prizes carried out the poolside theme. After the sojourn at the pool, the above members with Mesdames Ella Mae Gabriel, Harriet Horn, LaVeda Knobbe and Lois Winter and Misses Betty King, Karen LaPeiere, Delores Sheridan and Hilda Schroeder enjoyed a late dinner at Tony's restaurant, Mitchell.

Hostesses for the party were Mesdames Barbara Barr, Mary Lou Richardson, Ann Tatum, Evelyn Tatum and Mary Evelyn Yenchow.

Women to Tour Farms, Homes

The Madison County Farm Bureau Women's Committee is planning a farm and home tour for city women on Tuesday, Sept. 10.

The tour will begin with registration at 9 a.m. at the Farm Bureau Building, 900 Hillboro avenue, Edgemoorville. The bus will leave the building at 9:30 a.m.

The tour will include four different types of farms and two homes.

Reservations must be in by Sept. 3. Ladies are to call the Madison County Farm Bureau, 666-6191.

Kardettes Meet At Todoroff's

Mrs. Helen Todoroff was hostess to the Kardettes club Monday evening in her home, 3120 Colgate place. A 6 o'clock covered dish buffet was served preceding the games.

Those winning prizes with high scores were Mesdames Mary Parker, Dorothy Sheppard, Betty Papp, Barbara Nemeth and Emma Jakich.

Others attending were Mrs. Wenona Kibort, Mrs. Rose Perkins and Mrs. Frances Skubish. Mrs. Sheppard invited the club to meet in her home for the next session.

Newcomers Club Plans Silver Tea

Mrs. Jean Andrews, president of the Newcomers club, is announcing the club will host a "silver tea" in her home, 3247 Erie drive, on Saturday.

All members will be invited to attend from 2:30 to 4 p.m.

Miss Nancy Slay To Be Married

Mrs. Arthur H. Slay, 2822 Yale drive, is announcing the engagement of her daughter, Dorothy Jane Slay, to Maurice Bate Hobbs Jr., son of Mr. and Mrs. Maurice Hobbs of Atlanta, Ga. Miss Slay is the daughter of the late Arthur H. Slay.

The bride-elect attended St. Louis University and is presently a stewardess with Eastern Airlines in Atlanta.

Mr. Hobbs attended Marist College high school and graduated from Auburn University, where he was a member of Sigma Alpha Epsilon. He is employed by Consolidated Aluminum Corp., Atlanta.

Plans are being made for a Sept. 28 wedding in Granite City.

60th WEDDING ANNIVERSARY. Mr. and Mrs. Glen Christy, 1508 Kirkpatrick Homes, who will observe the sixtieth anniversary of their marriage by holding open house for relatives and friends Sunday, afternoon, Aug. 25, at the Kirkpatrick Homes recreation center.

Christys to Mark 60th Anniversary on Sunday

Mr. and Mrs. Glen Christy will celebrate their 60th wedding anniversary by holding open house for relatives and friends from two to four o'clock Sunday afternoon at the Kirkpatrick Homes recreation hall. They reside at 1508 Kirkpatrick Homes.

Mr. and Mrs. Christy are 81 and 80 years of age, respectively.

They were married Aug. 23, 1908, at Niedringhaus United Methodist Church, then Niedringhaus Memorial Methodist Church. The ceremony was performed by Rev. Dr. C. C. Hall. They have resided in Granite City since that time with the exception of a few years when they lived in White Hall.

The couple has four children, Mrs. Joseph (Lucille) Plasko of St. Louis, Mrs. Ruth Strole of Granite City, Mrs. Frank (Alice) Castle of Peoria and Quentin Christy of Carbondale. Another son, Dr. Chester Christy, is deceased.

There are also 17 grandchildren and 21 great-grandchildren, all of whom are to be here for the celebration.

Mrs. Christy will share honors with her parents, as they will be observing their 27th wedding anniversary. Relatives and friends are asked to omit gifts.

Mrs. Christy is president of Kirkpatrick Home's Golden Age circle.

NEBRASKA VACATION

Mr. and Mrs. Robert Sanders and children, 2624 East 28th street returned Sunday from a two-week vacation trip to Omaha, Neb. They were guests in the home of Mrs. Sanders' parents, Mr. and Mrs. Paul Hughes.

A family reunion was held in their honor. Mr. and Mrs. Richard Hawkins and family of Aurora, Colo., a brother of Mrs. Sanders, also attended.

They visited other relatives and friends while there and went on several sightseeing tours, including Father Flanagan's Boys Town.

Mrs. Jo Ross and daughter, Jackie, 2611 Washington avenue, returned Sunday from a three-week vacation tour of several coastal cities in Oregon. They were guests at the summer home of Mrs. and Mr. William F. Moynihan and family in New Port, Ore., and visited friends and relatives in Lebanon.

Enroute home, they stopped in Kansas City, Mo., to visit Mrs. Rose's sister and brother-in-law, Mr. and Mrs. R. E. Hopson. They were joined by their parents, Mr. and Mrs. Frank Jones, 3075 Washington avenue, and attended a family reunion in Boonville, Mo., over the weekend.

Mr. and Mrs. Norman Stotz, 2571 Hodges avenue, entertained former residents, Mrs. Dorothy McCord and children, Robin, Jimmy and Tracy of Cahokia, Ill., in their home Tuesday. Robin was a member of Mrs. Stotz's Girl Scout troop when she resided with her family here.

She also visited a former classmate and fellow scout, Carol Gilmore. They went to Mitchell to visit relatives there and to view the tornado damage.

VISITORS FROM SOUTH

Out-of-town guests at the home of Mr. and Mrs. Thomas Watkins, 2643 Edwards street, during the weekend were Watkins' brother and sister-in-law, Mr. and Mrs. Denny Watkins and daughter, Regina, of Palmersville, Tenn. They also were guests at the home of their sister, Mrs. Louella Fisher.

They attended a Cardinal baseball game and watched a trout game for an All-American team in Mitchell Sunday. Their nephew, Gary Watkins, was one of the players on the "Micros," sponsored by James Electronics.

BRIDE-TO-BE. Miss Nancy Jane Slay, daughter of Mrs. Arthur H. Slay, 2822 Yale drive, and the late Arthur H. Slay. Her engagement to Maurice Bate Hobbs Jr. is being announced by her mother. A Sept. 28 wedding is planned.

Basket Picnic at Pool To Feature Exhibitions

Final plans were made for Paddlers' family basket picnic Sunday, Aug. 25, at a meeting at the pool Monday evening. Chairman is Fred Cunningham, and assisting are Mrs. Lavenka Meyer, vice-president in charge of membership, and Bob Conreux, program chairman.

The pool will be open from 1 to 9 p.m. with synchronized swimming exhibition and diving scheduled for 4 to 5 p.m. Swimmers will be Debbie Byers and Linda and Sue Lybarger. Divers will include Perry Dillard, Stacey Eli, Mark Hatcher, David Lindsey, Sue Lybarger, Dawn Voss and Sandy Voss. Pete Sablin will announce the events.

Informal volleyball, horse shoes and records for teenagers will provide part of the day's entertainment.

A large charcoal fire will be ready for those who wish to have a cookout. With only ten tables at the pool, families may wish to bring their own tables or grills. Serving will begin at 5 p.m., with no charge to members; guests will be charged the normal guest fee.

Conreux announced this will be the last organized activity before the pool closing on Labor Day. He noted that "it has been the intent of the board to promote family and adult participation in various activities at the pool." The events have attracted large turnouts.

Fitzgerald Promoted in Steel Co. Sales Staff

Steve C. Fitzgerald has been appointed manager of service center sales for Granite City Steel Co., John A. Leschen, vice-president-sales, announced yesterday. Fitzgerald has been product manager—cold rolled sheet sales.

A 1955 graduate of the University of Missouri at Rolla (bachelor of science degree in chemical engineering), Fitzgerald served in the Army as a second lieutenant and joined Granite City Steel in 1956 as a junior industrial engineer.

He became sales supervisor of pig iron and coal chemicals in 1958 and product sales manager—cold rolled in 1965.

Fitzgerald is married, has two children and lives at 4070 Meadowland drive, Florissant.

Missouri Canoe Trip For 23 Roca Members

Twenty-three members of the Roca young men's club returned this week from a canoe trip on the Meramec River. Using 13 canoes, they began the journey at Steelville, Mo., and ended at the Onondaga Cave.

Russ Goddard of Missouri served as guide, and the adult sponsors attending were Jim Riedle, Charles Buttery and Walter Wilson.

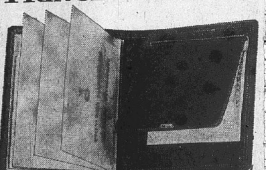

Conduct Charge Filed

Harry Levi Ward, 24, St. Louis, was charged with disorderly conduct Tuesday night at Niedringhaus avenue and Chestnut street. He was released on a notice to appear for a hearing.

YOUTH OPPORTUNITY CAMPAIGN MONTH being proclaimed by local mayors for August. Seated, left to right, are Dr. John E. Lee, mayor of Venice; Col. Charles E. Hoskin III, Granite City Army Depot commander; Donald Partney, mayor of Granite City; and Stephen Maeras, mayor of Madison. Standing, left to right, are Mrs. Mary Jo Frank, Depot civilian personnel officer; and Mrs. Mary Spearman, East St. Louis, Jacob Harmon, Madison, James Buckles, Venice, and Larry Gauze, Granite City.

Club Proposes 'Vigilante Whistles' to Control Crime

The Granite City Buehler & Professional Women's Club today announced a forthcoming project, "Help Control Crime by the Vigilante Whistle."

Purpose of the project is to "help everyone in the community become aware of the rising crime rate," a club spokesman said.

The club is asking the aid of

City Granted Permit To Dump Trees, Limbs

Granite City and the Mal Landfill Corp. received a "special privilege" to dump a large volume of trees and limbs downed in last week's storms at a meeting of the sanitation committee of the Madison county board of supervisors Monday at Edwardsville.

William Warfield, superintendent of streets, told the committee that Mal refused to accept all of the debris as the landfill would be unable to cover it with dirt the same day, a requirement in state and county statutes.

Carl Buehler of Granite City, sanitation committee chairman, agreed that it was an emergency situation. The city was given a week to haul the trees and limbs to the landfill and Mal was granted an extra week to cover the refuse.

GC Firemen Respond To Two Minor Alarms

Granite City firemen responded to two minor alarms Tuesday in which no damage resulted.

The first was at 12:15 p.m. at the home of Jerry Patton, 2018 Elm avenue, where a bilhar hand torch caught fire. The other was at 7:10 p.m. at the home of Wayne Mosley, 2308 Adams street, where a lawnmower motor backfired.

Leaves Curb, Hits Car

Upon leaving the curb at 2000 Edison avenue, an auto driven by Elva Weiss, 2610 Jorden avenue, struck the right front of a car driven by Roy Clemens, 2015 Oregon avenue, at 3:45 p.m. Tuesday.

SIU-SW Establishes Faculty, Adds Engineering Courses

As part of its continuing upgrading in professional technical education, Southern Illinois University's southwestern campus has adopted the name "Institute of Engineering" to replace the applied science label formerly attached to engineering studies.

SIU-SW Chancellor John S. Rendleman has approved the title change, which will now be used by the Science and Technology Division in all literature relating to engineering courses and programs.

"We consider this change in terminology important," says L. R. McAneny, dean of science and technology, "because the

depth of our engineering studies was not reflected in the 'applied science' phrasing.

He noted that the new concept also paved the way for expansion in engineering education as area needs are demonstrated and as SIU-SW facilities develop.

He said representatives of industry are continuing to consult with university officials on engineering priorities of this metropolitan area.

Bachelor Degree Offered

At present, the university of-

fers the bachelor science degree in electronic engineering, engineering physics and engineering mathematics. Several new courses slated for this school year will give these programs even greater latitude.

The latest in new equipment for these studies was provided by federal grants, with matching funds from the university.

"As for the future," McAneny observed, "the division is considering graduate programs related to the chemical, petroleum

and metallurgical industries so important in this area."

McAneny also indicated that an undergraduate program in civil engineering is in the offing.

With regard to the title change, Julius Brown, chairman of the engineering faculty, said he hopes more area high school graduates will consider the engineering opportunities offered at SIU-SW, as reflected in the recent developments. Persons wanting further information may call Brown at 682-2500.

Film on Alcoholism To Be Shown Tonight

The North Venice Democratic club will show a film, "Domino," which deals with alcoholism, at 7 o'clock tonight.

The guest speaker will be Dewey Mathews, psychologist at the mental health clinic in Granite City. Mrs. Wadie Baucum, president of the club, has announced.

The film will be shown at American Legion Post 799, Douglas and Mercedia streets. All adults are invited to attend the showing of the film and enter a discussion led by the guest speaker.

Truck Backs into Auto

Daniel P. Flanagan, Fremont, Neb., was charged with improper backing when he backed his tractor-trailer truck against the front of an auto driven by Lonnie L. Rainwater, 2128 Miracle avenue, at 7:05 p.m. Tuesday at Nameoki road and Highway 162.

Auto Struck in Rear

While stopped in traffic, an auto driven by John D. Rodgers, 2215 Orville avenue, was struck in the rear by another car driven by Edward Asadorian, 2117 Grand avenue, at 3:35 p.m. Tuesday on Madison avenue at Niedringhaus avenue.

New Voter Registration Program Starts Friday

A series of special registration periods in preparation for the 1968 general election Nov. 5 will be initiated in the Quad-City area and other parts of the county this weekend by the office of County Clerk Eulaia Hotz, it was announced today.

The special registration centers are established prior to each major election in public buildings, shops and stores as a convenience to new registrants or persons who need to change their current voting records so that they may vote.

The clerk's office also uses its mobile registration unit to take new registrations in various parts of the county.

First of the Quad-City registration periods will be conducted tomorrow from 9 a.m. to 5 p.m. in the Madison post office, Sixth street and Madison ave-

MRS. LENA WILLIAMS
1638 Sixth Street
877-0317

A wedding reception for the former Miss Linda Blumensoldt and Michael Vincent was held on the lawn of the bride's home, 1667 Market street, Madison, following their wedding on Aug. 17 at the United Methodist Church of Madison. An antelope Monday had listed the reception as being held at the Vincent home.

* * *

LYDIA CLASS MEETS WITH MRS. EAVES

The Lydia class of First Baptist Church met Monday evening in the home of Mrs. Norma Eaves, 1899 Fourth street, Madison, with Mrs. Sue Jones, vice-president, in charge.

Mrs. Marge Dillender, class teacher, offered the opening prayer and gave the devotional topic, based on the theme, "Catholicism." Class aims, motto and prayer were repeated by the group in union.

A brief business session was conducted by Mrs. Jones and preliminary reports by Mrs. Eaves, Mrs. Marge Lassen, Mrs. Doris Macklin, Mrs. Ida Doolin, Mrs. Marge Thompson and Mrs. Jeanette Young.

* * *

MRS. ALLEN QUEEN OF SHIP SHADES

A meeting of the Ship Shades TopS club was held Tuesday evening at Schermer's civic center, featuring Mrs. Agnes Passig, who led the group in the pledge of allegiance and Tops pledge.

Weights were taken and penalties were given to those who had gained during the past week. Mrs. Betty Allen was named queen of the week and the evening's prize was presented to Mrs. Elizabeth Bucher. Mrs. Agnes Stunnic was honored for sustaining a weight loss for three months.

Mrs. Diann Ogle read an article, "Psychology Can Help You Reduce." Mrs. Helen Townes closed the meeting with prayer. Games were played and coffee and diet cookies were served.

Others attending were Mesdames Jackie Gattung, Loraine Green, Rose Baird, Mary Ann Dall, Shirley Fries, Sandra Lane, Dot Gavins, Hazel Crots, Frances Dolenz, Rose Henderson, Rose Yates, Juanita Harrington, Olga Viza, Cathy Dohnal, Roemerne Krystosa, Pat Kingsley, Johanna Collett and Betty Allen.

* * *

OUT-OF-TOWN GUESTS

Among guests attending the wedding of the daughter Miss Wanda Jackson, daughter of Mr. and Mrs. C. O. Jackson, 150 N Harris street, Madison, and Harry Stephens, son of Mr. and Mrs. Charles Stephens, 1644 Third street, Madison, Aug. 18 were Mr. and Mrs. Ernest Stephens, paternal grandparents of the groom, Mrs. Alva Hixson, Mrs. Verlie Hixson, Mr.

Price Bill on Rehiring Reservists Is Approved

Cong. Melvin Price's bill guaranteeing reservists and National Guardsmen re-employment rights now carries the full weight of the U. S. government as a result of President Johnson signing it into law at Austin, Tex., Price noted Tuesday.

The Price bill, President Johnson declared at the signing ceremony, "makes it clear that reservists and guardsmen will not be treated unfairly in the employment, and that those called to active duty or war service during their absence will lose their re-employment right because of this additional service in our armed forces."

The new law provides that reservists cannot be fired, denied promotions or otherwise discriminated against because of their military obligation.

It also extends from four to five years the period during which the re-employment right may be exercised by enlisted men if their extended service is required by the government.

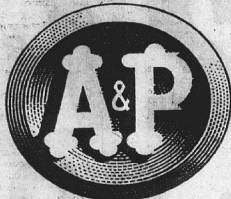

Price said he is gratified by the "strong and favorable" response to his proposal, which he first introduced in January, 1967. The new law, he observed, "reflects our government's concern for the individual rights of our citizens called upon to serve their nation."

and Mrs. LeLand Stergeon, Mrs. Sheridan Stephens and sons Jerry and Rick, Miss Sharon Stephens and Dale George, all of St. Louis.

Mr. and Mrs. Walter Stepien, Salem, Mo., Mr. and Mrs. Willie Stephens and son John of Hillsboro, Mo., Ray Maricopa Des Moines, Iowa, Benji Seavaffor and children, Albert and Patty, Victoria, Mo., and Mrs. Edna Margaret Judd ofapolis, Ind., Dick Jarvis, Ellsworth, Mo., and Mr. and Mrs. Frank Cook, St. Louis.

The wedding took place at the First United Methodist Church in Madison.

Simon, Garfunkle Impress Attentive Group of 12,000

(Editor's note: The following is an account of an interview by Miss Terry Sedlack of Granite City with Paul Simon and Art Garfunkle, who performed in a concert Friday night at Kiel Auditorium, St. Louis.)

By TERRY SEDLACK

Simon and Garfunkle were here, maybe for a brief few hours, but they were here and it seems that the impression that they left on their audience of more than 12,000 was monumental.

They have a quality of ease and control that an audience needs to be involved, as their audience surely was. It was composed of an intent, interested and courteous mass of people who enjoyed and savored every moment of the evening.

It might be interesting to note the great variation of age—from 10 years to 80. This proves that their appeal lies, not in the performer, but in the performance.

Their secret lies in the simplicity of the complexity—the simple sounds and melody with complex harmony. Simon and Garfunkle don't fake it.

They, for the most part,

shared the spotlight, but the time came for them to perform singly and they did just that.

Paul Simon, composer and guitarist for the pair, manifested his talents in the form of "Angie," a beautiful instrumental jazz composition by David Graham.

Song About a Dream

Art Garfunkle moved the audience with a hauntingly beautiful lone song, "For Emily, Wherever I May Find Her." The song was written by Paul Simon and, of it, he says, "The song is not really about a girl but about a dream, a dream a man needs to stay alive. No man can live without a dream and this man is pursuing his dream with all the vigor and purpose it deserves because he realizes how important a dream really is."

From such tenderness, they can immediately change to an air of protest, as in "Sounds of Silence," with equal compassion yet fiery violence needed to shock mass media into the realization that there is indeed a communication failure, and because of this, people are losing their sense of value, reverting to idolatry by deifying material things.

Simon and Garfunkle have

not lost their sense of value. They are lucky.

With all their fame and the additional splendor brought to them by the release of the "Graduate," the movie for which they wrote and sang, they are still quite unaffected.

Upon meeting him, Art Garfunkle seems shy and slightly introverted. Yet, once involved in conversation, his intelligence is easily seen.

Paul Simon, the mastermind of the two, is outspoken, yet respectful. His genius for expression ranks him among the leaders of contemporary literature, meaning poetry and verse, in the country and present movement.

He is concerned mainly with the communication problem and what it involves.

He cited a few interesting personal opinions: "Every psychological problem ever experienced, in essence, has to do with a failure of communication like in my song, 'The Dangling Conversation'." It's about two people who have lost the element that drew them together and now act out of force of habit.

"One of them realizes this and tries to reach out but

I only touch your shadow, I cannot feel your hand, you're a stranger now unto me, lost in the dangling conversation and superficial sighs that are the borders of our lives."

Simon and Garfunkle have something to say, they say it well, and what they say we really need to hear, so there's really no reason not to listen.

"And the people bowed and prayed to the neon god they made, and the sign flashed out its warning in the words that it was forming."

"And the sign said the words of the prophets are written on the subway walls and tenement halls and whispered in the sounds of silence."

SINGERS IN SOUTH AMERICA. Albert Stevens III of Granite City is one of 26 boy singers received at the Presidential Palace in Santiago, Chile, last week by President Eduardo Frei. The Chilean president invited the Columbus Boychoir of Princeton, N. J., to make an informal visit to him during its South American concert tour. Under the direction of Dr. Donald T. Bryant, the choir is presenting concerts in Chile, Argentina, Peru, Ecuador and Colombia. They are scheduled to sing for the Pope and an audience of 200,000 people at the Eucharistic Congress in Bogota, Colombia, this week.

Some 500 disabled students are enrolled at Southern Illinois University under a program giving them as much independence as possible.

Communications Study Stressed at SIU-SW

"I believe in the heart and hand philosophy of teaching," says John Rider, professor of mass communications and head of this new discipline at Southern Illinois University's Southwestern campus.

"Students should learn the skill at the same time they learn the philosophy and contents of communications media," Rider said. "That's why the study of mass communications belongs to the university. You can teach a man to take a picture in three weeks but you can't teach him how to use his skills in that length of time."

Rider, who joined the SIU-SW staff Aug. 1, has most of his professional experience in television news. "A field," he said, "that is growing so fast it is almost in trouble."

The professor says the real push in tv began with the assassination of John F. Kennedy, when news was brought into the home while it was happening.

Studying mass communications in depth is important, Rider claims. "The average family watches tv 41 hours a week. Add to this radio—especially car radios—newspapers and magazines and you have some idea of the tremendous impact news media has on the community."

Concerned because the consumer has so little control over what he sees, reads and hears, Rider hopes students will learn to evaluate programs and find ways of improving them.

"The real journalist," he said, "applies his method on the people; he is not just a button pusher. Tv doesn't lead public taste, it follows. It's a fact of life—tv is paid for by the advertisers and they give the public what they think it wants."

Does he advocate government subsidized programs that would be free of advertising? "No," he replied, "educational television is sufficient."

A "Books for Brains" program at Southern Illinois allows graduating seniors who have maintained 4.25 grade-point averages to receive \$15 worth of books from the SIU Press.

Pat Kincaid Graduates Friday from Houston U.

Patrick Davis Kincaid, a 1964 graduate of Granite City high school and president of the 1964-65 GCSS student body, will receive a bachelor of science degree in chemistry in ceremonies tomorrow at the University of Houston.

He is the son of former local residents, Mr. and Mrs. E. D. "Bud" Kincaid, 3440 South McGregory Way, Houston.

His father, former personnel director at the Union Star and Refining Co. plant in Granite City, is now employed as a top-level negotiator with the Federal Mediation Service. The family moved to Texas three years ago.

During his freshman year, Kincaid, 22, attended the University of Illinois Champaign-Urbana campus before transferring to Houston University.

While at the local high school, he was a standout member of the Warriors' wrestling, cross-country and track squads.

As a student teacher last semester, Kincaid was assigned to St. Dominic Girls College in Houston. This week he accepted a teaching position at St. Agnes Academy, an all-girl Catholic high school in Houston, with assignments in general science, physics, chemistry and algebra.

Two GC Youths Attend Civil Air Patrol Camp

Two youths from this area have completed a one-week training program sponsored by the Civil Air Patrol at Chanute Air Force Base, Rantoul.

Civil Air Patrol is an auxiliary of the United States Air Force and is designed to actively involve teens in the field of aviation through related classes and activities.

Representing Granite City at the camp were Ernest Fries and Bradford Pulaski. Both cadets are members of the Granite City Squadron and attend Granite City high school.

Classical Guitar to Be Taught at SIU-SW

A new course is being added this fall to the music curricula at Southern Illinois University's Southwestern campus—classical guitar.

According to Prof. Lloyd Blackely, chairman of the music faculty, classes in the new medium will be restricted to guitar majors and minors and admission will be by audition only. He stressed that only classical guitar will be taught.

College Students May Register Now For Nov. Election

Students who will become 21 years old on or before Nov. 5 should register now for voting before they leave for college, Miss Eulalia Holt, Madison county clerk, has suggested.

Oct. 7 is the last day registrations may be accepted by any election authority in Illinois.

The law requires a qualified voter to register in person with the county clerk or her deputy registrars. In most cases a student retains his parents' residence as his legal address until he establishes a permanent abode elsewhere.

Persons who have moved into Madison county from another county in Illinois are required to re-register now if they will have 90 days' residence in the county by Nov. 5.

Illinois now provides a short form ballot for president and vice-president only for persons moving into Illinois since November, 1967.

Persons who have resided in this state less than one year or in the county less than 90 days, but who will have resided in the election precinct 60 days prior to the presidential election and who are not entitled to vote for presidential or vice-presidential electors in any other county or state, are entitled to vote for the two offices.

In such cases, application must be made in person at the county clerk's office not more than 90 days nor less than 30 days prior to Nov. 5. The last date such application can be made is noon Oct. 5.

Miss Holt said that Aug. 5 was the first day on which application could be made for the short form ballot. Twenty applications have been completed in her office so far.

Deputy registrars in the Quad-City area are:

Mrs. Olive Sigle, 2229 Bryan avenue, evenings by appointment, 877-2558; Mrs. Rose Turner, 2141 Waterman avenue, 6 to 8 p.m., Saturday by appointment, 831-4129; Mrs. Elvira Thurber, 1932 State street, 9 a.m. to 5 p.m., (on Saturdays 9 a.m. to noon), evenings by appointment, 878-6335 (office or 878-3618 (home)).

Mrs. Jewell Young, 12 Grenzer Homes, Madison, 4 to 8 p.m.; E. J. Miller, Madison city hall, 9 a.m. to 4:30 p.m.

GRANITE CITY DEMOLAYS who attended the 40th annual state conclave at Peoria include, left to right, first row, Max Merz, Wally Tod, Chuck Hileman (holding softball trophy), Steve Hileman and Kirk Darnier; second row, Dale Jones, Bill Watson, Bruce Hawkins and Mike Jones; third row, Jim Naeve, Tim Noud, Rick Bargiel, John Tolbert and Steve Meador; and fourth row, Randy Fowler, Keith Darnier and R. Gilbert Watson, advisor.

GC DeMolays Take 2nd In State Softball Meet

The Granite City DeMolay softball team won the second-place trophy in the 40th annual DeMolay state conclave.

On the squad were Gus Schalkham, captain, Robin Teague, Keith Darnier, Mike Welser, Larry Wallace, Mike Assadorian, Wally Tod, Steve Hileman, John Tolbert, Bruce Hawkins, Roger Tolbert, Kirk Darnier and Max Merz.

The conclave, attended by 26 DeMolays and two advisors

from the local chapter, was opened Friday afternoon with Eric Trimble, state master councilor, presiding. The three-day event was attended by more than 400 DeMolays and 100 advisors.

Activities included business sessions, information seminars, degree presentation, golf, softball, bowling and "flower talk" championship competitions, elections and installation of state officers, dancing and entertainment.

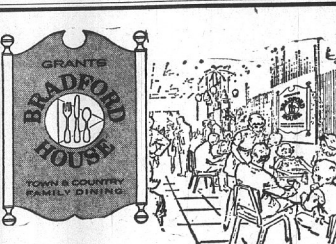

U. S. Sen. Everett M. Dirksen addressed the delegates at a breakfast on Sunday. He explored the current disrespect for law and order held by some elements of society.

At a coronation ball Saturday night, Trudy Stromquist of Arlington Heights was crowned Illinois DeMolay Sweetheart for the year. Stan L. Meister of Alton was installed as state master councilor to preside during the 50th anniversary year of the International Order of DeMolay.

He announced that the 41st annual conclave will be held next Aug. 15, 16 and 17 at Western Illinois University, Macomb.

Other local members at the meet were Randy Fowler, Tim Noud, Bill Watson, Mike Few, Mike Norton, Steve Meador, Jim Naeve, Bill Kee, Carl Earls, Dale Jones, Rick Bargiel, Ernie Edwards and advisors Gilbert Watson and Charles Meyer.

Rare Rock Collection On Display at ISU

Lafayette Funk of Shirley, Ill., made a formal presentation of his extensive rare rock collection, valued at nearly \$100,000, to Illinois State University today.

The presentation marked the start of the National Gems and Mineral Exposition at Illinois State's vast Horton field house, which is expected to draw upwards of 80,000 persons to Bloomington—Normal to day through Sunday.

It marks the first time that the national show has been held outside of a metropolitan city. The displays of gems, minerals and rare rocks from throughout the world are valued at more than \$5 million.

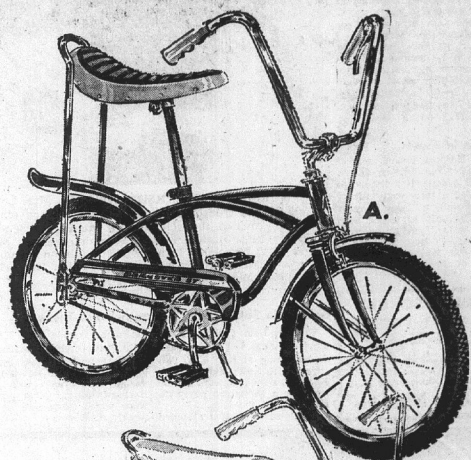

Open to the public, the show is expected to attract visitors from every state in the union and many foreign countries, according to officials of the Corn Belt Lapidary Society, which is sponsoring the show.

Many persons will be coming in camping trailers, while ISU has allocated space in three 12-story residence halls for visitors. Motels and hotels in Bloomington-Normal are virtually filled for the four days.

Jensen Enrolls at Northeast Missouri

Alan Jensen of Granite City is among nearly 1000 freshmen who have pre-enrolled at Northeast Missouri State College at Kirksville, Mo., for the fall quarter which will begin Sept. 8. Another 300 are expected in September.

For the past seven weeks entering freshmen, accompanied by their parents, have been coming to the campus for briefings, counseling, various tests and the filling out of schedule cards. Their parents take a tour of the campus, city and nearby state park.

Arrives in Japan

Pic. Edward Boone, son of Mr. and Mrs. Harvey Boone, 3144 11th avenue, has arrived in Japan for a three-year tour of duty following a 21-day leave at home. He will be joined soon by his wife, the former Raylene Briggs. He completed a nine-month training course recently at the Army Security Agency at Fort Devens, Mass.

NURSING SCHOLARSHIP AWARD. Mrs. Lora Hollis, left, treasurer of the Venetian Tops club, which provided the scholarship, making presentation to Miss Kathleen Daniels, a daughter of Mr. and Mrs. Marcellus Daniels, 531 Jefferson avenue, Venice. Miss Daniels will enter the Alton Memorial Hospital School of Nursing in September.

Bake Sale Saturday by Kirkpatrick Pre-Teens

The Pre-Teen Club at Kirkpatrick Homes will hold a bake sale starting at 8:30 a.m. Saturday at Kozyak's market, 2800 Nameoki road. Proceeds will be used for a Halloween party for members of the club. Eighty-seven youths attended the club's dance last Friday night, with music provided by the Confederate Stripes. Assistant Mr. and Mrs. Howard Evans as chaperones was Mrs. Barbara Smith. Other parents were urged to assist at the weekly dances.

SIU-SW Students to Aid In School Opening Here

More than 270 Southern Illinois University - Southwestern students are going back to school early—at the grade and high school level. They will be on hand for opening week activities at more than 50 area schools, including those in the Granite City and Madison districts.

Under a program referred to as the "September Experience" the university students will observe classroom procedures and serve as teacher aides. All these students will be doing practice teaching either this winter or next spring.

In addition to the nearly 300 students in September Experience, there will be 120 SIU-SW students doing their practice teaching in area schools this fall. They too, will be on hand for opening activities at the particular schools where they will be teaching.

In the September Experience the university takes advantage of the difference in starting dates of the public schools and the university," comments the coordinator of the program, Leslie J. Wehling. He explains that while area schools begin sessions late in August the university does not begin classes until the middle of September.

"Because the 270 SIU-SW students will be teachers they need to know what happens at the beginning of the year, including setting up classroom procedures, getting records organized, distributing books and beginning study programs," he adds.

In some classes, according to Professor Wehling, there will be as many as 24 SIU-SW students assigned to one district. Each will work as an assistant to a regular classroom teacher. This program requires the 270 students to return to the classroom from two to three weeks before other university students.

Burn Victim to Observe Birthday in Hospital

Ricky Doty, son of Patrolman and Mrs. Robert Astorian, 3240 Edgewood avenue, remains a patient in the Shriners' Hospital in Cincinnati, O. He was burned severely last Jan. 29 in an accident in his home. He was a seventh grade student at Coolidge junior high school at the time of the accident.

He was transferred to the Cincinnati hospital after several months of treatment at the intensive burn unit of Barnes Hospital in St. Louis.

The youth will observe his 13th birthday on Monday and requests cards or letters from his friends and classmates. His address is Ricky Doty, Shriners' Burn Inst., 202 Goodman street, Cincinnati, O. 45219.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

WORKING ON SCULPTURE is Brenda Duncan of Granite City at a week-long summer art school for gifted Illinois high school pupils at Allerton House, University of Illinois conference center. The school is conducted cooperatively by the Illinois Federation of Women's Clubs and the U. of I. Division of University Extension.

GC Youth, 18, Will Serve As Demo Convention Page

A first-hand glimpse of the inner workings and excitement of a national political convention will be afforded Michael Higgins, 18, of 2901 Kirkpatrick Homes, who has been notified by the White House that he has been selected to serve as page at the Democratic convention in Chicago.

Formal convention proceedings will get under way at the International Amphitheater in Chicago.

A 1968 graduate of Granite City high school, he is a son of Mrs. Marilyn Higgins of the Kirkpatrick address and Edmund Higgins of Madison.

His name was submitted to the White House by an uncle, Robert F. Gibson, secretary-treasurer of the Illinois AFL-CIO state organization, a former Granite Cityan and now a Chicago resident.

Michael has spent the summer months employed as a caddy at the Edgewater Beach Country club in Chicago. He arrived home during the week-end and received the telephone call from a White House aide.

His duties have not yet been defined, but he was advised to report at the convention headquarters early Friday in time to leave with an official group expected to greet the leading Democratic presidential candidate, Vice-President Hubert Humphrey, upon the latter's arrival at O'Hare Airport, Chicago, on Friday afternoon.

Higgins will be provided with a specially designed uniform, which complements the convention color theme, and will be quartered with other convention pages. The youths will act as messengers and perform other special services for delegates and convention officials.

The local youth, who plans to enroll at Southern Illinois University - Southwestern campus for the January quarter, departed today for Chicago.

Miss Duboise Enrolls At MacMurray College

Miss Sandra Duboise, Venice, has enrolled as a member of the incoming freshman class at MacMurray College, Jacksonville, Ill., for the 1968-69 school year.

Miss Duboise, a graduate of Venice high school, is the daughter of Mr. and Mrs. J. L. Duboise, 500 Klein street. She will major in English and plans to teach.

Higher Parking Fees for Students At SIU-Carbondale

Revision of the Southern Illinois University Carbondale campus motor vehicle regulations to provide for both vehicle registration fees and parking fees has been approved by the board of trustees.

Registration fees, which entitle the vehicle to a silver decal, will be increased, effective with the fall quarter, to \$5 per vehicle per year. The annual fee has been \$2. All students authorized to have vehicles must pay the silver decal fee.

A separate parking fee was authorized by the board if the vehicle is to be parked on the inner campus. Persons authorized to have a blue decal and who desire to park in restricted lots near the loop drive will pay a total of \$45 for the 1968-69 year. It is anticipated this fee may be increased to \$65 for the 1969-70 school year.

Red decals will cost \$25 this year and permit parking in lots other than those designated for blue decals. The fee would increase to \$35 for the 1969-70 school year.

Silver decals would be required of all students not eligible for red decals and would permit off-campus parking and daytime parking in certain designated lots on the periphery of the campus. The board of trustees action is designed to establish a traffic and parking revenue fund which could be used as a basis for a future bond issue to establish additional parking facilities. It also is expected to encourage more efficient use of existing parking facilities.

The board also authorized the use of parking meters where rapid turnover of parking is deemed essential.

Parking and traffic control problems have been under study by a university committee for more than a year.

The trustees recommended that the Southwestern campus administration develop a parking fee policy consistent with the future needs of that campus.

National Interest in Institute This Fall At Alton SIU-SW Center on Urban Renewal

Nationwide participation is expected at an Institute of Housing, Urban Renewal and Code Administrators to be held this fall by Southern Illinois University at its Alton Center.

Plans call for an enrollment of 250 students, according to project director Norman C. Johnson of the SIU-SW Social Sciences Division.

Federal funding from the Department of Housing and Urban Development and state matching funds will finance the institute, scheduled to run from November through March 1969.

First in U. S.
According to Johnson, this is the first and only school designed exclusively for officials in housing, urban renewal and code enforcement.

The first group of 60 participants will convene on Alton for two weeks in November. Twenty students will be from each of the three areas.

An intensive look at community composition is planned for the two-week session. This will

include aspects of economy, sociology, political life, legal regulations and philosophy.

Class sessions will begin at 8:30 a.m. and run through 10:30 p.m. Weekend classes will also be held.

Following each day's instruction will be a two-hour sensitivity training lab. This session will give participants a chance to evaluate professional practices.

The first group will return in February for one week of study with others in their specific fields. At that time, work will be geared to each individual area for technical training and discussion of federal programs.

After the first group leaves, another 60 will come in for a similar session.

A special one-week course will be offered for county and municipal inspectors during the institute.

Persons involved in urban renewal and public housing will attend on a tuition basis. A fee of \$250 will cover the entire cost. All fees for code people, administrators and inspectors will

be covered under provisions of the federal grant.

Faculty for the sessions will come from three areas. Southern Illinois University people will make up 50% of the teaching staff. They will deal with the areas of economics, sociology, government, political science, planning, business and law.

Housing and Urban Development officials will conduct the more technical instruction as well as present programs on federal programs and policies. They will comprise about 25% of the total faculty.

The remaining fourth will be outside professional consultants who will also deal in specifics for the students.

Establishment of the format for topics to be covered came after consultation by Johnson with a national advisory committee which included professionals from state and local levels as well as federal officials. The committee will be meeting periodically throughout the year.

Experiment for Reading Includes Tutors, Recorders

Southern Illinois University's East St. Louis center will be involved in an experimental approach to reading for seventh grade students this year.

The program centers attention on reading material of interest to the Negro youngster. Books, poetry, essays and the classics will be included. In order to build the program, a library of more than 500 paperback books is being compiled.

The end result is expected to be a new reading curriculum and an improved reading ability for the students. Sixty students from Rock Junior High and 60 from Hughes-Quinn Junior High will participate.

The group from Rock will have the use of individual tape recorders in its study, while those from Hughes-Quinn will cover the same material without the recorders.

Each of the 120 students from the two schools will be assigned a tutor who is a student in SIU's Experiment in Higher Education program at East St. Louis. There will not be a regular classroom teacher. All will work under the project director, Ray Rist, who is coordinator of the Learning Resources Center at East St. Louis. Each tutor will be assigned two students.

A unique facet of the tape recorder is its four-track cartridge. This will allow room for the actual story, a set of questions concerning the reading, and a blank area to record student answers.

The portable recorder has a headset for listening to the tape, coupled with a microphone for getting the student's answers onto the tape cartridge. Another headphone will allow the tutor to monitor the student as he works with the recorder.

Because East St. Louis schools operate on a 40-minute period, the tape or reading material will be used for 20 minutes. The last half of the period will be reserved for tutor-student conferences and individual help. Special tapes will be available for assisting with individual problems, such as pronunciation.

Between now and the opening of school SIU students will be preparing master tapes for the program. All the recordings to be used in the class are being made and geared directly to the East St. Louis youngster.

Guidelines for the curriculum development came from research projects at Ohio State University, Hiram College and the manufacturer of the recorders, Norelco.

Rist expressed high hopes that the program, which has not been tried before, will prove successful. He believes the material will encourage the students to read both in and out of school and at the same time improve their comprehension of reading materials.

State Meet on Industry Development Sept. 12

Pollution control, urban blight, social problems, central business districts and regional planning are among the topics to be discussed at a statewide community industrial development conference on Thursday, Sept. 12, in Peoria's Hotel Peoria Marquette.

Theme of the day-long conference, sponsored by the Illinois State Chamber of Commerce, is "Environmental Factors Affecting Industrial Development."

Charles F. Willson, Chicago, conference chairman, and a member of the State Chamber's Economic Development Committee, said the workshop is designed to provide timely, practical, down-to-earth information on the economic problems affecting our communities in 1968.

New Problems, New Solutions
"This is more important today than ever before because industrial development in Illinois requires a different approach today than it did just a few short years ago," said Willson, director of area development for the Continental Illinois National Bank and Trust Company of Chicago. "New factors and influences compel new solutions to new problems."

Willson pointed out that "if communities are to continue to grow, new jobs created and payrolls made bigger, leadership, the community level needs to focus sharply on the environment in which we now work."

"Because local programs in Illinois must be continually updated and intensified in order to remain competitive, it is essential that business leaders throughout the state know what elements are necessary for success. This conference is designed to fill that need."

"For all those interested in the economic future of our communities," continued Willson, "this workshop has been arranged to offer practical information and advice on 'Environmental Influences Affecting Industrial Development'—factors like pollution control, social problems, central business districts, urban blight and regional planning."

State Library Career Caravan Here Oct. 29

The latest schedule for the downstate Library Career Caravan has been announced by Secretary of State Paul Powell, state librarian.

The mobile unit will be manned by Elizabeth McClure, library career consultant for the downstate area. State scholarships are available to afford financial assistance for those interested in a career as a librarian.

Dates and locations are: Sept. 4, Quincy College, Quincy; Sept. 17, Western Illinois University, Macomb; Sept. 24, Southeastern Illinois College, Harrisburg; Sept. 27, Southern Illinois University, Carbondale; Oct. 4, Illinois State University, Normal; Oct. 11, Greenville College, Greenville; Oct. 18, Millikin University, Decatur; Oct. 25, University of Illinois, Urbana; Oct. 28, Southern Illinois University, Southern Illinois campus; Nov. 1, McKendree College, Lebanon; Nov. 5, Danville Junior College, Danville; and Nov. 8, Eastern Illinois University, Charleston.

Salesmen Arrested
Hamed Ullah, 35, and Michael Weil, 19, both of Champaign, were arrested Monday night on charges of soliciting sales after dark without a license.

Affect All in Community
"These are problems facing not just professional industrial developers but anyone interested in his community's future well-being."

"For this reason, the State Chamber is inviting to the conference a broad range of statewide representation: Officers, directors and committee personnel of local Chambers of Commerce and other development groups; officials of companies contemplating new industrial locations; mayors, councilmen and planning officials of local communities; and any citizen working toward sound industrial growth for his community."

The speakers and their subjects:
Morning session: 9:15 a.m.—Setting the Stage: Dr. Ralph I. Claassen, vice-president and general production manager, Hiram Walker & Sons, Inc., Peoria.

Planning an Effective Community Environment: Clarence E. Hammond, partner, Scruggs & Hammond, Inc., East Peoria.

Effects of Air in Water Pollution Controls: Douglas B. Morton, chief Bureau of Stream Pollution, Illinois Division of Sanitary Engineering, Springfield.

A Struggle for Existence—Challenge of Changing Social Attitudes: Paul Zimmerman, Mayor's Committee for Economic and Cultural Development, Chicago.

Heart Transplant—Major Surgery for a Central Business District: David Connor, president, Commercial National Bank, Peoria.

Change for the Sale of Survival? William C. Rowland, president, General Telephone Co. of Illinois, Bloomington.

Afternoon session: 2 p.m.—3:30 p.m. (Two concurrent panel discussions, questions invited.)
Pollution, Planning and Progress: Moderator—William T. Diviney Jr., executive vice-president, Quad-City Development Group, Rock Island.

Revitalizing 'Fried Cities': Moderator—Robert J. Stapleton, manager, Cordova Industrial Park, Clinton, Ia.

Participates in Farm-City Scout Conference

J. Robert Shanks of Granite City, scoutmaster of Troop 23, sponsored by the Frohardt school PTA, participated this summer in a farm-city conference at Philmont Scout Training Center, Cimarron, N. Mex., for which he received a scholarship from the National Council, Boy Scouts of America.

The scholarship for himself and Mrs. Shanks was awarded on a basis of outstanding leadership in scouting, church, civic and other community organizations.

The National Rural Scouting Committee of the Boy Scouts of America launched this program 13 years ago as a means of paying tribute to the thousands of service- and community-minded men across America who give so much of their lives as volunteer leaders to boys through the scouting movement. Only 144 men from all 50 states received such scholarships.

Purpose of such conferences is to study the newest and most effective program ideas and outreach methods to the changing population characteristics of our times. These scholarships are made available by the Sears-Roebuck Foundation, the National and State Association of Soil and Water Conservation Districts, and members of the National Rural Relationships Committee of the Boy Scouts of America.

The goal of scouting is to prepare boys to achieve their full adult potential as responsible citizens. A trained scout leader is considered the key to achieving this goal.

The men who have received Philmont farm-city scholarship recognition are credited with making the scouting goal effective in the lives of boys in their home communities.

They represent a million other scout leaders throughout the country who are making similar contributions to boys. Their dedication of time and concern underscores again the importance of the volunteer in the social structure of our nation.

Shanks served as cubmaster of Troop 23 prior to becoming scoutmaster of Troop 22. Under his leadership, this troop of 25 boys carried on an extended program of regular meetings, a monthly camping trip, and participation in numerous good turns and conservation projects.

Shanks is a member of the First Baptist Church and the McDonnell-Douglas Corp. Management club.

Government Contract Management Courses

The Metropolitan College of St. Louis University, in cooperation with the National Contract Management Association, will offer three non-credit courses in government contract management during the 1968 Fall semester.

"Elements of Government Contract Administration," an introductory course to U. S. government procurement procedures, will be offered Mondays, beginning Sept. 16, from 7 to 9:30 p.m. Howard Goebel, chief, Operations Division, Emerson Electric Co., will direct the course. Tuition is \$111.

"Cost Estimating and Contract Pricing" will meet on Tuesdays, beginning Sept. 17, from 7 to 9:30 p.m. Lee J. Deters Jr., manager, Cost Estimating Department, Emerson Electric Co., will teach the course. Tuition is \$111.

"Legal Aspects of Government Contracts and Subcontracts" will be taught by Peter Edmundson, an attorney for Emerson Electric Co. Classes will meet on Wednesdays, beginning Sept. 18, from 7 to 9:30 p.m. Tuition is \$111.

Additional information on courses is available from the Metropolitan College of St. Louis University, JE 5-3300, station 383.

String Music Teacher Clinic in GC Oct. 16

Six clinics for teachers of string instruments have been scheduled by the University of Illinois Division of University Extension and the State Office of Public Instruction.

The clinics—five in October and the sixth in November—are to be strategically located throughout Illinois so that any interested person may attend one in his area of the state.

The schedule, with most local sites to be announced, includes:

Tues., Oct. 15, (District VI) Benton; Wed., Oct. 16, (District V) Granite City; Tues., Oct. 22, (District II) Rochelle; Wed., Oct. 23, (District III) Macomb; Tues., Oct. 28, (District I) Chicago; at the University of Illinois at Chicago; and Tues., Nov. 5, (District IV) Urbana, at the Illinois Union Building at Urbana-Champaign.

Coordinators Named

Clinic coordinators will be Prof. Thomas J. Wisniewski, Extension in Music, U. of I. Division of University Extension, and Frank Laurie, state supervisor of music, State Office of Public Instruction.

Cooperating organizations and universities are Southern Illinois University Southern campus; Northern Illinois University; Eastern Illinois University; Western Illinois University; Northwestern University; University of Illinois at Chicago; University of Illinois at Urbana-Champaign; and the Chicago Symphony Orchestra.

The clinics are part of a continuing effort, spearheaded by the U. of I. Extension in Music faculty, to upgrade the amount and quality of string music instruction in the schools and communities of Illinois.

It is a continuation of the "center" concept, inaugurated last year as a corollary to the consultation service to individual schools and school systems.

268 Servicemen Apply to Cast Absentee Votes

Two hundred sixty-eight applications for absentee ballots from persons in U. S. service have been received in the office of County Clerk Eulalia Hotz since July 29, the first filing date.

Application forms are provided by the commanding officer at all U. S. installations. However, Miss Hotz noted that applications can be made by the spouse, mother or father, sister or brother of the person in service.

The county clerk will furnish forms by mail upon request. Upon the submission of the voter's name, the county clerk's office staff will check records to ascertain if the voter has already applied. Ballots will be sent to applicants beginning Sept. 21.

Need Not Be Registered

Persons in the service or their dependents traveling with them need not be registered voters but must possess the other qualifications—one year's residence in the state, 90 days in the county and 30 days in the precinct.

All correspondence is sent airmail under special government provisions.

Physically incapacitated persons who have not registered

may do so by securing an application form from the county clerk. Upon receipt of the completed form the county clerk will designate a team of one Democrat and one Republican to go to the house of the incapacitated applicant and register him.

Voting Procedure

The law further permits the physically incapacitated registered person to apply for an absentee ballot.

The county clerk will provide the application form, which also contains a form for the attending physician to complete before a notary. The several ballots will be sent upon receipt of such an application properly completed.

All absentee ballot information and forms are available only through the county clerk's office in Edwardsville, either by mail or phone call to 698-1414.

More data on election matters will be announced by Miss Hotz in the near future.

VA Education Aid For Child of War Dead or Disabled

The Veterans Administration will pay up to \$130 a month to help educate each son and daughter of a veteran who died in military service or a veteran totally and permanently disabled from a service-connected cause.

Children of veterans who died after discharge of service-connected disabilities are also eligible.

These payments are usually provided for sons and daughters between the ages of 18 and 26. John B. Naser, manager of the VA regional office, said. The program is intended for education beyond the secondary school level, he said. There are some exceptions. Marriage does not bar this benefit.

An eligible person may receive up to 36 months of schooling—or the equivalent of 36 months if enrolled part time. Monthly payments are lower if the enrollment is for less than full time, and no payment is authorized for less than half time.

Eligible persons of legal age may file their own applications for this program with a Veterans Administration Office, Manager said. For minor children, the parent or guardian must file, he added.

Special restorative training may be provided to young men or women unable to pursue an education because of some physical or mental disability. It consists of training such as speech and voice correction, lipreading, Braille reading and writing and the like.

In some instances, handicapped children may begin special vocational or restorative course as early as age 14. More than 125,000 students have been helped in the program since 1956 when it was established.

Coreless Driving Charge

Gary Li Crailley, 1511 Fourth street, Madison, was charged with careless driving at 5:10 p.m. Tuesday at Namoki road and Jill avenue.

Record Crowd at Fair

Attendance of 1,065,577 for the ten-day Illinois state fair at Springfield this month surpassed the previous record of 1,024,340 set last year.

City Approves Payments of \$156,374 on Sewers, Roads

Contractual payments amounting to \$156,374 for construction work in the city's sewer program and for road improvements were authorized by the Granite City council in a regular session Monday night.

The construction and engineering claims were part of a total of \$121,310 in bills approved by the council.

Largest single payment was \$84,388 approved for S. M. Wilson & Co., contractor for the city's stormwater sewer project. A second claim of \$13,245 for Wilson covering a different section of the work also was approved.

The council also approved payment of \$53,173 to A. H. Seebold Truck Service for work on paving Johnson road, and payment of \$18,997 to General Contracting Co. for work done on the city's sanitary sewer program.

A claim by H. W. Lochner, Inc., engineers, for \$1,000 and inspection services was approved. This amounted to \$4526 for services in connection with

the sanitary and stormwater sewer projects.

Also approved for payment were two claims by Charles & Trautman, Chicago bonding authorities, one in the amount of \$700 for services and legal opinions concerning the city's \$19 million sewer bond issue, and one for \$778 for services in the handling of the city's \$150,000 revenue sewer bond issue.

Other claim payments included \$13,484 to the American National Bank, Chicago. The amount covered \$600 in principal and \$7460 in interest, plus a \$24 service fee, due on the revenue bond issue.

Other claim payments authorized by the council includes a \$2003 payment as the city's membership share in the East-West Coordinating Council and \$16,159 to Milan Corp. for refuse removal and disposal services during July.

NEARLY \$1.5 MILLION In Taxes Distributed

Distribution of \$1,435,000 in Granite City taxes collected during the local tax collection period since June 24 has been made to four taxing agencies, E. R. "Pat" Rich, city treasurer, said today.

Rich said the first distribution was made in mid-July to the Granite City park district in the amount of \$100,000, with another distribution in the same amount to the park district recently for a total of \$200,000 in park taxes.

Largest distribution has been made to the Granite City school district in the amount of \$700,000, the treasurer reported.

Rich has distributed \$450,000 to the city and \$85,000 to Granite City township.

Local tax collections are to continue through Friday afternoon. Further distributions will be made soon, Rich said.

Record Venice Wheel Tax Sale Due to Police Drive

An all-time record sale of wheel tax stickers to Venice residents has resulted from an organized police drive for full compliance with the licensing law, it was reported today.

A total of 1114 wheel tax tags already has been sold by Comptroller Carl Byrnes and action on 135 arrest tickets given by police to motorists and placed on parked autos not displaying the stickers will add to this total.

During the city's last fiscal year, 1010 wheel tax tags were purchased during the full 12 months.

Granite City PRESS-RECORD
Page 32 Thurs., Aug. 22, 1968

Chief of Police John Essington said arrest tickets will continue to be given. If the motorist comes in with the ticket within a short time, he may purchase his wheel tax for \$5 and charges will be dismissed. Regular cost of a wheel tax license is \$5.

Motorists who fail to respond to the tickets within a reasonable time, Essington said, will be named in city warrants and fined \$25. Purchase of the wheel tax at \$5 will be additional.

Chief Essington estimated that the total of wheel tax stickers sold this year will reach about 1250. In past years, the total has seldom exceeded the 1000 mark.

NEW FIRST LIEUTENANT. Larry Deutschman (center) receiving his silver bars from his wife, Jeannie, 3128 Colgate place, and Granite City Army Depot commander Col. Charles E. Hoskin III. He entered the Army in August 1966, after graduating from SIU-SW and has just completed a tour of duty at Fort Leonard Wood, Mo., departing after the promotion ceremony for a year's duty in Vietnam. He is the son of Vernal Deutschmann, 2213 Edison avenue, and of Mrs. Vera Deutschman, 2233 Dawn place.

Manned Space Flight Stamp Collection Offer

Manned Spacecraft Recovery Forces of the U. S. Navy will again provide collectors with first-day cachet and cancellation services for the upcoming Apollo 7 manned space flight.

Philatelic coordinators designated for the U. S. Atlantic and Pacific Fleet Recovery Forces (Task Force 140 and 130) will receive all such envelopes and make the distribution to assigned ships.

To permit adequate time for required handling of Atlantic ship covers, collectors should air mail pre-stamped, self-addressed envelopes to arrive at Norfolk prior to September 1968.

Due to the popularity of this service and the limited postal facilities aboard recovery ships, no more than eight covers can be accepted from each individual collector. Collectors may send an additional four covers to Task Force 130, the Pacific Recovery Force.

The following are addresses for the Atlantic and Pacific area coordinators:
TASK FORCE 140
Public Affairs Office (Apollo 7)
Manned Spacecraft Recovery Force, Atlantic
Building SP-71, Naval Air Station
Norfolk, Virginia 23511

TASK FORCE 130

FPO San Francisco, Calif. 96610

Vacant House Damaged

Vandals damaged a vacant house at 3012 Sunbury avenue, owned by Walter Rozycski, 2216 Madison avenue, he reported at 3:40 p.m. Monday.

Fund Balance at Venice Aided by 1966 Tax Refund

Refund to the city of Venice of \$66,000 in protested 1966 taxes brought the city's total available funds to \$36,495 during July, including fund balances, City Treasurer Bernard Anderson has reported to city council members.

The tax refund followed recent settlement of objections filed by Union Electric on the basis of general fund tax rate extensions. The protests were filed against 1966 tax extensions based on higher rates authorized by referendum. Union Electric paid this year's bill for 1967 taxes without protests.

Anderson's report showed the \$66,000 was added to a July 1 fund balance of \$28,440 for the \$94,440 total.

Expenditures for the month of July amounted to \$22,647, leaving the city on Aug. 1 balance of \$65,445.

Large Court Fees
Other income during July included \$1218 in court fines assessed in cases handled by the Venice police department. The payment is the largest single monthly fine assessment in many months. The city also collected in July \$800 in miscellaneous receipts, \$175 in truck delivery licenses, \$386 in city auto licenses and \$115 in business licenses.

Expenditures during July included \$9293 for operation of the police department, \$4089 for expenses of the street department and \$2031 for operation of the fire department. Expenditures out of the contingency fund amounted to \$5136. Garbage collection costs totaled \$2830 and salaries for city officials amounted to \$2995.

Insurance payments totaled \$1374, sewer repairs cost \$342 and maintenance of arterial streets cost \$543. Payment of \$1300 was made to the police pension fund.

Auto Struck on Lot
An auto driven by Larry D. Harvey, 3804 Lake drive, backed against the right side of the auto of Hal F. Painter, 2524 Stranford lane, parked on the lot of the First Granite City National Bank at 12:10 p.m. Monday.

Auto, Truck Collide
An auto driven by Rose A. Torosian, 3341 Colgate place, and a truck driven by Jewel F. Scarborough, 1857 Second street, Madison, collided at 2:30 p.m. Monday in the 2100 block of State street.

Faces Traffic Charges

Vincent J. Marsella Jr., 104 Venice Homes, was arrested by Madison police officers this week at 10th and Iowa streets and charged with failure to heed a red light and siren, parking in a restricted zone and speeding. He was released on \$75 cash bond pending an Aug. 28 magistrate hearing.

Two Autos Sideswipe

Autos driven by Ernest E. Hubbard, 2326 Iowa street, and Gene L. Hoelter, 3720 Ruth drive, sideswiped as Hubbard tried to make a right turn into a driveway at the Iowa address while Hoelter attempted to pass on the right at 4:20 p.m. Monday.

Woodward to Attend Course on Management

Donald Clark Woodward, son of Mr. and Mrs. Albert B. Woodward, 3233 Madison avenue, employed by Kaiser Aluminum Co. at Spokane, Wash., has been selected by the industry to attend a program for management development at Harvard University, Cambridge, Mass., beginning Aug. 25. It is a 16-week comprehensive course for managers from all phases of industry designed to benefit each from association with the others and to learn the newest in management skills and techniques.

Marine Cpl. McMillon Awarded Purple Heart

Marine Cpl. Benjamin A. McMillon, 21, son of Mr. and Mrs. Benjamin A. McMillon Sr., 2912 Willow avenue, has been awarded the Purple Heart for wounds received while serving with Marine Medium Helicopter Squadron 165 of the First Marine Aircraft Wing in the 1 Corps area of South Vietnam.

As a member of the squadron, he helps to provide troop lifts, movement of supplies and medical evacuations. The squadron is based at the Phu Bai air field, south of Hue in South Vietnam.

Traffic Freight Post For Lt. Col. Johnson

Navy Commander Charles A. Sauer, Creve Coeur, today was appointed deputy to Army Colonel Charles A. Lewis, commander of the St. Louis Field Office-Eastern Area, Military Traffic Management and Terminal Service, in the Marine building. He succeeds John W. Maxwell, who retired April 30.

Army Lt. Col. John A. Johnson, who has been residing at the Granite City Army Depot, was named chief of the General Freight Division, moving from the position of chief, Office of Field Assistance.

A career transportation officer with a bachelor of arts degree from Southern University, Col. Johnson recently returned from duty in Vietnam, where he commanded the 124th Transportation Battalion (Truck) of the Eighth Transportation Battalion (Motor Transport), U.S. Army Pacific, and won the Air Medal with three Oak Leaf Clusters.

The St. Louis Field Office-Eastern Area, MTMS staffed with Army, Navy, and Air Force officers, provides traffic management support to 588 Department of Defense installations located within a geographical area of responsibility consisting of 12 central states.

Business Instructors Gain Practical Experience Here

A unique course of instruction called "Business Experience and Related Study" has been conducted at Southern Illinois University's Southern campus this summer for 34 key people, all vocational business education teachers involved in on-the-job training programs.

Several Quad-Cityans were among the enrollees and a number of local business firms were utilized for off-campus practical experiences. The uniqueness of the course is reflected in the fact that a major portion of the class time was spent in actual supervised work experiences in an occupation representative of the kinds of entry jobs for which high school business education teaches.

Granite City PRESS-RECORD
Page 34 Thurs., Aug. 22, 1968

ers are preparing their graduates. Most class enrollees are instructors of on-the-job training programs in either office occupations or distributive occupations in southern Illinois high schools.

The instructors will be helping to prepare boys and girls for fulltime career employment upon graduation from high school in such occupations as general clerk, stenographer, secretary, key-punch operator, sales, shipping clerk, store manager and bank teller.

The initial week of in-school study at the SIU-SW campus included exploration of such subjects as effective job training, job analysis, job description and training sponsor development techniques.

The first week of classes was followed by five weeks of intensive employment in various business enterprises in southern Illinois.

The teacher-students then returned to the campus for the final week to apply employment experiences to the development of effective vocational business teaching methods and materials.

Class members also had an opportunity to narrate their business experiences when they appeared as members of a panel discussion at the second annual Business Education Conference held at SIU-SW Aug. 1-2.

The course enrollees were in general agreement that the instruction, in close cooperation with community businesses, had provided a practical kind of training to upgrade their competencies in vocational business teaching, which is expected to be reflected in better-trained beginning workers from high school graduating classes.

VOCATIONAL BUSINESS TEACHERS participating in seven-week on-the-job training program sponsored by SIU-SW, shown at local business firms and agencies.

Far left—Miss Virginia Judd of Granite City, a teacher at Belleville East high school, and Carl Specking, secretary-treasurer, Madison County Federal Savings & Loan Co. Left—Milton D. Cox, Granite City high school faculty member and an on-the-job trainee at Granite City Steel Co.

Right—Miss Joyce Wood, a teacher at Pattonville R-3 school district senior high school, Maryland Heights, Mo., pictured with Harold E. Brown, Granite City superintendent of parks and recreation.

Far right—Lee E. Ashby, Madison senior high school instructor, who was trained through the program at Laclede Steel Co.

Kiwanis Plan Social Meeting at Grafton

Four members of the Edwardsville Kiwanis club were guests of the Granite City club at a meeting Monday evening at the Rose Bowl. Visiting were Irvin Duestman, Harry McMichael, Dr. W. B. Cox and Leo Knoll.

Michael Toundas, president, presided over a brief business session and announced plans for the members and their wives to attend a social and dinner at Pete Jellen's club-house in Grafton Sept. 21. Wilbur Waggoner spoke on the cost of state vehicle licenses in Illinois as part of the program for the evening.

Council Approves \$30,000 Pedestrian Lights

An appropriation of \$30,000 in motor fuel tax funds for installation of two pedestrian crosswalk lights along Nameoki road at Kirkpatrick Homes was approved Monday night by city council members, who earlier had balked at a proposal to include the amount in the regular 1968-69 budget.

The proposal to use motor fuel tax funds for the lights—along widened Nameoki road at 25th street and at Victory drive—was subject to approval by the state highway division.

The motion to set up the \$30,000 MFT fund was made by Second Ward Alderman Samuel Whitmer, who tried unsuccessfully in the July 22 meeting of the council to include the amount in the 1968-69 city budget approved by council members that night.

The Granite City Housing Authority notified the council by letter Monday night that it plans to erect a fence on the

housing project property with two openings where the pedestrian signals would be located.

Want More Stops
Preparation of an ordinance to establish stops on Amos, Cottage, Garfield and Clark avenues and Lindell Blvd. at Franklin avenue was requested by Alderman Ford Johnson of the Eighth Ward.

A motion by Johnson that the ordinance be prepared and presented at the next council session was approved.

In similar action, the council authorized preparation of ordinances for eliminating parking on Wahash avenue from Amos to Pontoon road, for establishing stops at Mitchell and North streets at Nameoki road and for a three-way stop at 26th place and Circle drive.

Sewer Cleaning Equipment
Council members authorized a call for bids to furnish the street department with new power equipment for cleaning sewers, with specifications to be prepared by William Warfield, superintendent of streets.

A bid call for two new police service units, motorcycles with sidecars used in parking meter enforcement, was authorized at the request of Whitmer, chairman of the police committee. Funds for the new equipment will be provided under appropriation items included in the new budget.

Fifth Ward Alderman Walter Nunn called on council members to "take some action" toward cleaning up what he termed "a forest of weeds and old houses in the 700 block of Denver street."

Nunn said the situation created a "definite danger" and lives are at stake because if that area ever caught fire it could wipe out part of the ward.

Work Was Stopped
Nunn said demolition of an old house was begun some time ago, but was halted when it was learned ownership could not be definitely established and several mortgages still were outstanding against the property.

As a result, he said, the debris "is just lying there. Weeds have grown up around that area and another nearby vacant house," Nunn said, "until it has become a real forest." Several other aldermen remarked that "we have our problems, too." No action was taken.

The council approved a request of the Jaycees for permission to erect voting booths for a mock election to be conducted by the organization Saturday, Aug. 31. The group will be permitted to install two booths in the downtown area, two at the Bellemeade shopping center and two at the Nameoki Village shopping center.

A recommendation by the Granite City Planning Commission that a final plan for the second addition to Wilson Park Estates be approved was referred to the council's planning committee for further study. The plan commission approved the plan in a meeting a week ago and suggested that the council incur.

The new section, containing 33 residential lots zoned for single family dwellings, lies north of Indiana and Michigan avenues. Construction of three-bedroom homes is planned for the area.

Excavations Authorized
Two applications by Illinois Power Co. for authority to make street excavations for re-

pairs and replacement of mains were approved by the council.

One permit was for excavations in the alley between 20th and 21st streets between Omaha and Sherman avenues. The other is at the intersection of 19th and Adams streets.

On a motion by Alderman Johnson, the council approved settlement of an injury claim involving Steven Mize, 12, a newspaper carrier who was hurt last June 7 when he was following the city-owned fogging machine in the 2100 block of Delmar.

City Attorney Richard Allen notified the council by letter that the boy slipped and fell from his bicycle and that the fogging machine ran over the bicycle and the boy's foot.

Allen said cost of the bicycle was \$49, hospital and medical bills were \$44 and the boy lost \$4 on his paper route because he couldn't work for several days. Allen recommended payment of the claim in the amount of \$98.

Venice High Students Reminded to Register

Venice High School Principal Lewis E. Sabie today said that registration will continue tomorrow for ninth through 12th grade students who plan to attend Venice high school this year.

Students not registering previously are asked to do so at the principal's office between 8 a.m. and 4 p.m. tomorrow, or during the half-day session Monday. Full-time classes at all Venice schools will begin Tuesday.

Students not registering previously are asked to do so at the principal's office between 8 a.m. and 4 p.m. tomorrow, or during the half-day session Monday. Full-time classes at all Venice schools will begin Tuesday.

Repair Projects Totalling Nearly \$2 Million Recommended for Venice-owned Bridge

Nearly \$2 million dollars worth of repairs and improvements to Venice-owned McKinley Bridge are recommended in a new bridge inspection report compiled and submitted to Venice city officials by Hardesty & Hanover, New York bridge engineers.

While the engineers set up \$72,100 worth of repair and improvement work to be done during the 1968-69 bridge year, the report adds, "they be advisable if a need for them develops or is otherwise demonstrated." Among these items is a recommendation for replacement of all asphalt-covered timber deck with a new concrete deck estimated to cost \$360,000 on the basis of 1968 material and labor prices.

Also scheduled among future improvement items is widening of the deck to improve the alignment of the westbound lanes at the top of the Venice approach at a 1968 cost estimate of \$230,000, and modification of the bridge roadway lighting system at an estimated cost of \$114,000.

Only one other "future" improvement is included. This calls for installation of a new fire protection system on the bridge at a cost of \$37,000.

Jobs in Progress

The report lists as "in progress" two phases of handrail replacement, one of which was recommended in the 1964 inspection report and the other in the 1967 inspection report.

These projects currently are under contract with the J. S. Alberici Construction Co., St. Louis, on a low bid of \$107,440. They include reconstruction of handrails adjacent to the eastbound lanes at the junction of the Venice High Line and the Venice approach (recommended in the 1964 inspection report) and replacement of the pipe and lattice-type handrail on the Venice approach, with railings similar to that installed two years ago on the west approach (recommended in the 1967 report).

Also among recommendations in the new report is installation of a chain link fence around bridge property adjacent to the McKinley Iron Co. in St. Louis at an estimated cost of \$17,500, an item recommended in the 1963 inspection report but which is tagged as "deferred" for the present.

Have \$260,000

Henry Michael, bridge manager, said the bridge administration now has about \$200,000 in the bridge replacement and improvement fund, and \$107,440 is committed to the Alberici contract for handrail replacement now under way.

The report comes at a time when the city of Venice already is confronted with a financial crisis in its bridge operation. Mayor John E. Lee has announced that the city will default in payment of \$18,000 interest in the amount of \$110,000 on Oct. 1.

Among projects still to be completed are recommended in earlier inspection reports, the engineer firm lists:

Repair cracked and spalled concrete copings of Pier C and Pier D, estimated cost \$9300, recommended in the 1952 report.

Repair spalled section of the south curb along the eastbound roadway of the west approach, \$500, recommended in the 1965 report.

Smooth pavement of the toll plaza area adjacent to lane 2 by heating and rolling, \$1200, recommended in the 1965 report.

Modify the curb at the entrance to the parking lot between the toll plaza and Main street, \$900, recommended in the 1965 report.

Repair railing of westbound lanes of the Venice approach to the toll plaza, \$300.

Weld dogs between gratings and stringers of viaduct carrying the eastbound lanes of the Venice approach, \$800.

List Maintenance Items

The report details multiple minor repairs necessary to the maintenance of the bridge, such as repairing points where cars or trucks have struck the bridge railings and dividers, repairing cracking of paint and concrete on piers, and improvement of the bridge decking.

The report says further: "that the superstructure steel 'continues to be in good condition except for deterioration of the paint film and consequent rusting of the steel. Paint loss was most pronounced on the webs of the south girders of the portion of the viaduct supported by steel bents."

"Paint loss on some webs has amounted to about 75%. Paint deterioration also was noted on the webs of the rolled stringers. Consideration should be given to cleaning and painting the superstructure in the near future."

"Since maintenance of this portion of the bridge is the responsibility of the Illinois Terminal Railroad Co., the railroad company should be requested to advise the bridge manager of its schedule for painting."

Spans in Good Condition

In its inspection of the main spans of the superstructure, the engineers reported that while the west bank of the river was found to be in good condition, the east bank has experienced additional erosion.

"As noted in previous reports," the engineers said, "about 300 feet of the east bank has been eroding away, starting at a point about 250 feet north of the bridge." Pointing out that the situation has been brought to the attention of the U. S. Army Corps of Engineers, the report suggested that the area be kept under surveillance.

Projects remaining to be done from the 1966 report include straightening of a pole at the end of the north truss, \$350; and cleaning and painting of all steelwork in the main spans,

\$235,000. All cost estimates are based on 1968 construction prices.

A recommendation for replacement of lattice-type railing alongside the outside roadways of the main span, recommended in the 1967 report, also is carried over into the new 1968 inspection report.

This item also includes a recommendation for installation of railing along the outside curb and between trusses along the inside curbs, at an estimated cost of \$262,500.

1968 Recommendation

Suggested for completion during the 1968-69 bridge year

which begins Oct. 1, the engineers' report calls for:

Seal the reinforced concrete portion of the deck of the west approach between Hall street and the through truss spans with labor to be furnished by the bridge maintenance force, \$2100.

Clean, seal and repair expansion joints of the eastbound lanes of the west approach, \$150.

Seal tops of all land piers of the main span, \$100.

Rehabilitate expansion bearing of deck trusses of the main span, \$25,000.

Miscellaneous repairs to

trusses of main span, providing drain holes in struts; replace bolts and hold-down plates on bottom chords of 146-foot deck trusses; and increase clearance of finger joints of the south roadway, \$2500.

Viaduct Repairs

Rehabilitate viaduct carrying eastbound lanes of the Venice approach, \$40,000.

Repair interior columns of the Venice approach, \$850.

The report said the eight truss spans comprising the main superstructure were found to be in good condition and there is no evidence of loose-

ness or wear in the pin connections.

However, the report commented, a general deterioration of the paint, especially on the deck truss spans, was noted, with a minor loss of metal reported in some locations.

Generally the bridge is in good condition, according to the report, which contains multiple suggestions for minor maintenance activities.

The engineers list a number of regular maintenance projects and suggest that bridge maintenance workers maintain a checklist list of regular maintenance work.

New Girl Scout Leader Uniform Is Described

The 6,000,000 adult members of the Girl Scouts of the U.S.A., in adopting a new uniform, have replaced the familiar two-piece dress Girl Scout leaders have worn for 20 years with an up-to-date dress designed by Stella Stolt, a leading American sportswear creator.

The new dress is made in two fabrics, color green, with yoke, modified A-line, walking pleats and patch pockets. The dress is just that—it becomes a uniform only when insignia, etc. are pinned on.

The new adult uniform is a visible sign that Girl Scouts of the U.S.A. are constantly changing and moving to meet the needs of every era of American youth, a spokesman said this week.

The first Girl Scout uniforms, copied from English Guide uniforms, were dark blue duck with a light blue tie—first worn on May Day, 1912, in Savannah, Ga. A number of changes came ultimately to a Mainbocher classic design which was worn from 1948 to the present.

A desire for a more contemporary garment expressed by members resulted in the new design ratified by the National Board of Directors of the Girl Scouts of the U.S.A. Emphasis now is on uniformity of appearance without a design of military style.

Agri-Business Tour

By Chamber Members

Approximately 35 Tri-Cities Chamber of Commerce members are on the fourth annual business - industry - agriculture bus tour today, visiting business directly related to agriculture.

The group is going to the Edwardsville Creamery, Madison Service Co. Marine farm service plant, Madison County Farm Bureau and Clifford Leach melon farm, returning to the Chamber office at 4:15 p.m.

Marine Corps League

Barbecue Saturday

A chicken barbecue will be held at the Bellemeur shopping center Saturday from 11 a.m. to 6 p.m., sponsored by the Quad-City Marine Corps League, it was announced by Earl F. Dauderman, commandant. Proceeds will be used for the league's annual "Toys for Toys" campaign to help needy children. The meal of one-half chicken, chips and bread is \$1.

Funeral Yesterday for

Elmer R. Baumberger

Funeral services were conducted for Elmer R. Baumberger, 61, of 2449 East 25th street Wednesday morning at a Granite City funeral home, with burial at St. John's Cemetery. Mr. Baumberger died suddenly Monday. He collapsed while working for the S. M. Wilson construction firm and was taken to St. Elizabeth Hospital, where he was pronounced dead on arrival.

Select Name for Son

Charles Dean is the name given by Mr. and Mrs. Charles Van Vleet, 2446 Edison avenue, to their son born Aug. 13 at St. Elizabeth Hospital. The baby weighed six pounds, 13 ounces.

10-Day DuQuoin State Fair Opens Saturday

Enhanced by the switching of the world-famous Hambletonian to Friday, Aug. 23, the opening weekend at the DuQuoin State Fair may this year challenge Friday afternoon's Labor Day weekend windup.

For the first time since the DuQuoin exposition began opening its gates on a Saturday, fairgoers will have an afternoon grandstand attraction and the major entertainment center will be in virtually constant use throughout the 10 days and nights.

Boasting a "something for everybody" theme, the 1968 fair mixes sophistication with simplicity.

Week Group Scheduled

This weekend features afternoon harness racing, with evening country and western music shows starting front-line stars of Grand Ole Opry fame. The closing weekend, meanwhile, is highlighted by three afternoons of U. S. Auto club-sponsored racing, with night stunts and revving around the likes of Phil Harris, Bobbie Gentry, The Kids Next Door and Complete Works and his complete works.

The five-day Grand Circuit horse racing program opens Saturday and runs through Wednesday, Aug. 23. Principal attractions are Sunday's \$125,000 American Pharoah stakes, the nation's finest three-year-old trotters and a Tuesday card which includes five races, two of which carry \$20,000-plus purses.

Country and western music fans will have a complete new lineup of stars for the opening Saturday night attraction. Buck Owens, Lynn Anderson, Red Foley and The Home-comingers return to the stage, while Sonny James and the Southern Gentlemen, Connie Smith, Roy Lister, Hank Snow and The Judds will headline the week night.

Phil Harris to Star

The Phil Harris show, starring the "That's What I Like About the South" gentleman, Miss "Ode to Billie Jean" and The Kids Next Door, Don Rice, Ben of "Gentle Ben" television fame, Inspector Hedley of Daktari and Lou Bessie and is scheduled to appear on or after September 20, 1968 in the Courthouse in Edwardsville, Ill. 33-8-22

HONORED ON BIRTHDAY

Mr. and Mrs. John Hogan, 3205 Wilshire Drive, served a birthday dinner Sunday evening in honor of their son-in-law, Ed Bushue.

Attending were Mrs. Bushue and children, Shannon and Travis, and the hosts' children, Sherry and Maureen Hogan.

Later in the evening, they were entertained by the honoree's parents, Mr. and Mrs. John Bushue, 323 Yale drive, for a late dessert luncheon.

SIU-SW Historian Evaluates Impact Of Gov. Wallace

"Third party presidential candidate George Wallace, former Alabama governor, will probably fall into the same category as other third party candidates in U. S. history, a man who doesn't win, but whose philosophy may be partially reflected by the successful president."

In the fall of 1967, professor Stuart Weiss, an American historian who teaches at Southern Illinois University's Springfield campus, Weiss parallels the role of Wallace with third party candidates Teddy Roosevelt in the 1912 election and Robert LaFollette in 1924.

Roosevelt split the Republican party, allowing Woodrow Wilson to win. His defeat was followed by a period of administration.

LaFollette, who also ran on the third party Progressive platform, was defeated by Franklin D. Roosevelt, who felt the Democratic Party had to become more liberal in ideas and action if it wanted to win.

Wallace, Weiss predicts, will carry the South and the West, but will not win the White House. He is a Republican ticket in the border states of the South.

"In the end, however, the winner will win, toward solving the problems of unrest in the country, a point which Wallace has used to build his candidacy. Weiss said that the third parties in general, Weiss points out, "The third party candidates have to become more public attitudes and ideas neglected by the two major parties. Frequently, the two major parties deal with more issues and do not reveal the intensity that the third party candidate portrays."

"Wallace," he said, "speaks for those citizens who oppose and fear violence in the streets, and also those who believe in simple solutions to complex problems."

"He'll carry the Deep South, including Louisiana, Mississippi, Alabama and maybe Georgia and South Carolina."

"The real contest will be between the Republican ticket and Wallace in the border states of Florida, Texas, Arkansas and Tennessee," Weiss says.

"I don't think Wallace can pull enough votes to throw the election into the House of Representatives. What might happen is that the Republican ticket and Wallace will draw from the same type of voters, and serve as a unifying force for the Democratic Party."

"It must be remembered that there are more Negroes able to vote this year, and this will be felt in returns," Weiss says.

Weiss added that generally established politicians will not join a third party camp. "Don't like it," he says, "whether we like it or not, the American political system is built around power. And power doesn't go to the third party candidate."

"In the last analysis, the real question is whether the candidate elected, whoever he may be, can govern effectively," Weiss concluded.

ROGERS RETURN FROM VACATION IN WEST

Mr. and Mrs. Orbra Rogers and daughter, Leah, 3273 Frank avenue, returned home Sunday evening from an extensive vacation in the western states and Canada.

The three-week trip, made in a mobile camp, began in Wisconsin and included stops in White Fish, Mont., Banff, British Columbia, Jasper National Park and a swing farther north in the Columbia province. While there, the family enjoyed a ride on a snowmobile and a visit to the "ice fields."

They also visited the Olympic National Park to view the "Rain Forest."

SINGLE CLUB WINNERS

Bridge club winners were conducted by the Granite City Duplicate Bridge club Sunday evening at the Elks club.

First place went to Fred Nieman, second to Mrs. Betty Caldwell and third to William Buente.

The Nameoki Duplicate Bridge club met Monday morning in the home of Mrs. Helen Hudson, 283 Yale drive, for its weekly session.

Adult Education Class Registration Next Week

Registration for fall adult education classes at the Granite City high school will begin Monday, Aug. 26, and continue through Thursday, Aug. 29, from 9 a.m. to 9 p.m.

The adult office has been moved and is now located in Room 136A near the Grand avenue entrance of the high school. Classes will start on Sept. 3. Courses offered are as follows:

Driver training.
General Education Development, to include basic education, reading and mathematics (1st through 9th grade level) and organized review for state high school equivalent certificate examination.

English as a second language. Art, to cover freehand drawing, oil painting, ceramics and water colors.

Sewing.
Bookkeeping—beginner, intermediate and advanced.

Business machines.
Stenography—beginner, intermediate and advanced.

Typing—beginner, intermediate and advanced (written communications in business).

Industrial mechanics.
Pipelining.
Welding—gas, electric and shielded-arc (hell-arc).

Blueprint reading, basic blueprint reading, sketching and trade blueprint reading; electrical, mechanical and structural.

Electricity—direct current; alternating current; motor control.

Electronics, DC/AC circuits, transistors and radio and TV; beginner and advanced.

Industrial mathematics, basic mathematics, applied algebra, applied geometry and applied trigonometry.

Machine shop, bench work, lathe, shaper, milling machine and grinders.

Sheet metal layout, simple and advanced layouts and triangulations.

These and other courses will be offered if there is sufficient demand.

PRESSROOM VISIT by Mitchell PTA Cub Pack 141 Monday, accompanied by Ralph McKinney (right) of the Press-Record advertising staff. Mrs. Ann Baxter and Mrs. Iva Burton, den mothers, participated in the tour along with Cub Scouts Mike

Baxter, James Jackson, Duane Schoenenberger, Terry Schultz, Dennis Greene, Robbie Baxter, Robert Gay, Leslie Burton, John Bob Runyon, Jimmy Jones and Donald Kimbrell.

City Costs Total \$502,879 In First 3 Months of Year

City fund expenditures of the first three months of the current fiscal year amounted to \$502,879, with the bulk of operational costs paid out of the non-transferable general fund, Comptroller Robert Stevens reported to the Granite City Council at a regular meeting Monday night.

Stevens' report showed disbursements of \$408,938 out of the general fund, \$20,672 out of transferable general fund reserve funds, and \$73,269 from the motor fuel tax accounts.

In addition to the \$20,672 in regular expenditures out of the general reserve fund-transferable, a total of \$160,000 has been transferred to 14 separate accounts of the general fund (non-transferable) accounts to meet current operating expenses.

The general reserve fund includes the tax commission, working cash, parking meters and sales tax accounts from which monies are transferred to other accounts.

At the beginning of the fiscal year, May 1, these accounts had total balances of \$380,351. Receipts since then have amounted to \$204,854 for a total of \$585,205.

The \$20,672 in regular expenditures and \$160,000 in transfers left a balance of \$404,534 in these funds as of Aug. 1.

\$781,164 Total Fund
The general fund from which monies cannot be transferred had balances totaling \$106,020 at the beginning of the fiscal year and since has had receipts of \$515,143, plus \$160,000 in transferred funds, for a total of \$781,164 during the three months of the year thus far.

Expenditures of \$408,938 deducted from this revenue left an Aug. 1 balance of \$372,226 in the general fund.

general fund accounts, the report said.

Largest single expenditure out of the general fund during the three month period was for operation of the police department, totaling \$85,126.

Expenditures thus far for fire department operation amounted to \$75,359, while street department expenses totaled \$46,760.

Other expenditures out of the general fund, and fund balances as of Aug. 1, include: water, \$4836, balance \$11,633; lights, \$8810, balance \$7701; pumping station, \$43 and \$3127; general government, \$29,676 and \$18,904; city hall, \$8443 and \$5666;

inspection, \$6460, and \$4842; sanitation, \$24,905 and \$39,402; interest and judgments, \$13,525 and \$16,163; humane department, \$3130 and \$1843.

General Fund Costs
Contingent, \$409 and \$9018; city planning, \$1302 and \$4809; school crossing guards, \$4063 and \$333; Illinois Municipal Retirement, \$12,114 and \$6866; civil defense, \$1900 and \$10,290; maintenance of sewers, \$1967 and \$10,372; air pollution, \$1632, deficit of \$300; firemen's pensions, \$17,865, no balance; police pensions, \$17,865, no balance.

Stevens' report shows balances of \$4939 in the tax commission account, \$222,329 in the working cash fund, \$90,641 in the parking meter fund and \$80,624 in the sales tax fund.

The report shows that in all funds the city had total balances of \$660,689 at the beginning of the fiscal year, with subsequent receipts of \$97,935 and transfers of \$160,000 to provide total available monies of \$1,767,624 for the three-month period.

Disbursements for the period amounted to \$502,879 in all accounts and \$160,000 transferred, leaving an Aug. 1 balance of \$1,104,744.

Juvenile Officers to Tour Forestry Camp

The Illinois Youth Commission Boys' Forestry Camp at Pere Marquette State Park will be host for a monthly meeting of the Metro-East Juvenile Officers Association Monday, Aug. 26, at 6:30 p.m. The meeting will be held at the camp, located northwest of Grafton on Route Three.

A barbecue supper will be prepared for members and guests by the boys and staff members at the camp. Tours of the grounds and facilities will be provided by the boys themselves.

Guest speaker will be John Petrilli, camp director, who will review activities at the camp in the past year and discuss future plans. The meeting at the forestry camp has been an annual event.

The public is invited to attend the meeting but reservations for supper must be made no later than Friday by calling Betty Ann Spillman of the Illinois Youth Commission in East St. Louis at 675-7258.

Granite City Police Sgt. Harry Mitchell is president of the association and Madison Police Youth Officer William Fanning is vice-president. James E. Hendricks, regional supervisor of the IYC in East St. Louis, is secretary-treasurer.

TEN WINDOW FANS were presented Monday by the Madison Junior Service club to Alton State Hospital for use by patients. The presentation was made by Mrs. Rita Barnhart to Bill Atkins, a staff member of the hospital.

Office Light Damaged

Four exterior lights were stolen and another was damaged at the office of Dr. Wallace Brylak, 1911 Johnson road, it was reported at 9 a.m. Tuesday.

IT'S THE LITTLE THINGS THAT COUNT...

In the water business we have a saying that if you take care of the little things the big things will take care of themselves. That's why you'll find us to be a company that stresses close attention to the little things as well as the big things. What is really amounts to it is a courteous treatment of customers, a careful consideration of customer problems, a "insistence" on the best in water service, a vigilance in the safeguarding of your water supply. All are equally important.

Pitchford, Cowan at Air Force Encampment

Walter Van Pitchford Jr., son of Mr. and Mrs. Walter Van Pitchford, 2875 East 24th street, and Robert R. Cowan, son of Mr. and Mrs. Robert B. Cowan, 2304 Gary avenue, are participating in a U. S. Air Force Reserve Officers Training Corps (AFROTC) field training camp at Little Rock Air Force Base, Ark.

During the encampment, cadets become familiar with the life and activities on Air Force bases and can examine career opportunities in which they might wish to serve as officers. Other highlights of the course include survival training, aircraft and aircrew indoctrination, small arms training and visits to other Air Force bases. Both local men, 1968 graduates of Granite City high school, are members of the AFROTC unit at Southern Illinois University.

Amphibious Assault Ship Duty for Smith

Navy Machinist Mate Fireman William R. Smith, 20, son of Mr. and Mrs. Clifton J. Smith, 2829 Edgewood drive, is serving aboard the amphibious assault ship U.S.S. Tripoli operating off the coast of Vietnam.

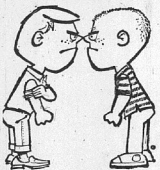

While serving aboard the Tripoli he helps to maintain a constant state of readiness throughout the ship.

Part of his duties entail providing logistic support to U. S. Marines following an amphibious assault. During this time, helicopters are landing and taking-off from Tripoli's flight deck with supplies on a regular basis. In addition, the ship serves as a haven for wounded Marines and has some of the finest medical equipment afloat.

George Near Pleiku

Army Pfc. Richard R. George Jr., 20, whose mother, Mrs. Cornelia C. George, lives at 1707 Edwardsville road, Madison, has been assigned to the 4th Infantry Division near Pleiku, Vietnam, as a scout observer.

WHAT'S THE DIFFERENCE

PLENTY! The quality in Lennox furnaces begins where it stops in others. Compare the quiet, resilient, mounted blower; the vast difference in filter size; the efficient design of the heat exchanger. The difference in furnace could be the difference between your being completely comfortable and simply "getting by". Lennox furnaces are designed to handle the extra load of air conditioning.

GC Plans Legal Action to Get Rail Crossing Repairs

Legal action to force rail lines operating in and through Granite City to repair and improve "every grade crossing in the city" was authorized by the Granite City city council Monday night after a heated discussion over the condition of such crossings.

The issue was brought on the council floor by Fifth Ward Alderman Walter Nomm, who told the council he had received a complaint from a woman who told him her car blew out two tires crossing the 18th street railroad tracks.

Other aldermen recalled similar complaints and their own experiences and agreed that some action should be taken.

Alderman Claude Green of the Fourth Ward remarked that

"I have just returned from a vacation trip and in no city did I see railroad crossings as bad as we have in Granite City."

Vote to File Action
Nomm placed a motion to instruct Harry Hartman, assistant city attorney, to institute court proceedings requiring railroad companies to improve all grade crossings in the city.

Hartman attended Monday night's council meeting in the absence of City Attorney Richard Allen, who is on vacation. Hartman remarked that there were legal means of accomplishing the goal.

"We hope you can get it done," Nomm said. "We've tried to get Allen to do it before, but nothing was ever done about it."

Hartman asked that the city

provide him with locations and company ownership of the crossings. Alderman Ford Johnson obtained passage of a motion instructing City Inspector Jack Pricker to prepare all necessary information for Hartman.

"If you can get this done, maybe we can get you a steady job," one alderman remarked to Hartman.

Hartman did not indicate what form of legal action he intends to file.

Mount Zion Church to Mark 18th Anniversary

The 18th anniversary and homecoming of Mount Zion General Baptist Church, 21st and Benton streets, will be held Sunday, Aug. 25, at the church. Sunday school will be held at the usual hour, 9:45 a.m., and the sermon at 10:30 a.m. will be followed by a noon meal in the church basement.

The speaker will be Rev.

Avery Morris of Cahokia General Baptist Church in Cahokia. There will be a program at 1:30 p.m. and special music by the "Good News" quartet of Poplar Bluff, Mo., the Huddleston Sisters of Elsinoe, Mo., and numbers by local talent. Rev. Fred Latch is pastor of the local church.

GO TO CHURCH ON SUNDAY

Arrested After Mishap

Aaron D. Wilson, 4804 Kirkpatrick Homes, was charged with a right-of-way violation when his auto collided with a car driven by Leroy E. May, Bethalto, at 5:05 p.m. Monday at 25th street and Madison avenue.

Now Many Wear FALSE TEETH

With More Comfort
To overcome discomfort when dentures slip, slide or loosen, just spritz a little **PASTERTH** on your place. **PASTERTH** holds dentures firm. You eat better, feel more comfortable. **PASTERTH** is alkaline—won't sour. Helps check plaque color. Dentures that fit are essential to health. See your dentist regularly. Get **PASTERTH** at all drug counters.
